ORDER

Adopted: May 23, 2004

Released: May 25, 2004

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaint filed by Complainant¹ alleging that Global Teldata, Inc. (Global) changed Complainant's telecommunications service provider without obtaining authorization and verification from Complainant in violation of the Commission's rules.² We conclude that Global's actions did result in an unauthorized change in Complainant's telecommunications service provider and we grant Complainant's complaint.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of "slamming," the submission or execution of an unauthorized change in a subscriber's selection

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130 authorization; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission's rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainant's complaint on December 30, 2002, alleging that complainant's telecommunications service provider had been changed from Working Assets Long Distance to Global without Complainant's authorization. Pursuant to Sections 1.719 and 64.1150 of our rules,¹¹ we notified Global of the complaint and Global responded on March 21, 2003.¹² Global's sales representative, however, failed to drop of the line once the three-way

connection was established as required by our rules.¹³ We recognize that Global has, in accordance with our rules, filed a certification with the Commission stating that the carrier's sales agent is unable (due to, for example, technical reasons) to drop off the call once the agent has established the three way connection with the third party verifier and the customer. However, even if a carrier has filed such a certification, final verification may only be validly obtained after the sales agent has finished providing information. If additional information is provided by the sales agent during a verification attempt, the third party verification must be terminated, and a new verification may commence only after the carrier's sales agent has finished providing information.¹⁴ Global's sales agent did provide information during the verification and a new verification did not subsequently commence. We find that Global has failed to produce clear and convincing evidence that Complainant authorized a carrier change.¹⁵ Therefore, we find that Global's actions resulted in an unauthorized change in Complainant's telecommunications service provider and we discuss Global's liability below.¹⁶

5. Pursuant to Section 64.1170(b) our rules, Global must forward to Working Assets Long Distance an amount equal to 150% of all charges paid by the subscriber to Global, along with copies of any telephone bills issued from Global to the Complainant.¹⁷ Within ten days of receipt of this amount, Working Assets Long Distance shall provide a refund or credit to Complainant in the amount of 50% of all charges paid by Complainant to Global. Complainant has the option of asking Working Assets Long Distance to re-rate Global's charges based on Working Assets Long Distance's rates and, on behalf of Complainant, seek from Global, any re-rated amount exceeding 50% of all charges paid by Complainant to Global. Working Assets Long Distance must also send a notice to the Commission, referencing this Order, stating that it has given a refund or credit to Complainant.¹⁸ If Working Assets Long Distance has not received the reimbursement required from Global within 45 days of the release of this Order, Working Assets Long Distance must notify the Commission and Complainant accordingly. Working Assets Long Distance also must notify the Complainant of his or her right to pursue a claim against Global for a refund of all charges paid to Global.¹⁹

¹⁶ If Complainant is unsatisfied with the resolution of this complaint, Complainant may file a formal complaint with the Commission pursuant to Section 1.721 of the Commission's rules, 47 C.F.R. § 1.721. Such filing will be deemed to relate back to the filing date of Complainant's informal complaint so long as the formal complaint is filed within 45 days from the date this order is mailed or delivered electronically to Complainant. 6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaint filed against Global IS GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(b) of the Commission's rules, 47 C.F.R. § 64.1170(b), that Global must forward to Working Assets Long Distance an amount equal to 150% of all charges paid by the subscriber along with copies of any telephone bills issued from Global to the Complainant within ten (10) days of the release of this order.

8. IT IS FURTHER ORDERED that this Order is effective upon release.
