By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed by Gulf Coast Broadcasting Company, Inc. ("Petitioner"), licensee of Station WPGG(FM) ("WPGG"), Channel 227C1, Evergreen, Alabama. Petitioner seeks to amend the FM Table of Allotments by downgrading Channel 227C1 to Channel 227C2 and reallocating Channel 227C2 from Evergreen to Shalimar, Florida, thus providing Shalimar with its first local aural transmission service. Petitioner states that if the Commission grants its petition for rule making, Petitioner will file an application for a construction permit to effectuate its proposal and if such application is granted, Petitioner will promptly construct the facilities specified in the permit.

2. Petitioner invokes the provisions of Section 1.420(i) of the Commission's rules which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.<sup>1</sup> The proposed use of Channel 227C2 at Shalimar, Florida, is mutually exclusive with Station WPGG's existing authorization at Evergreen, Alabama.

3. Petitioner asserts that the adoption of its proposal will result in a preferential arrangement of allotments consistent with the *Revision of FM Assignment Policies and Procedures*,<sup>2</sup> by providing Shalimar, Florida (2000 U.S. Census population of 718), with its first local aural transmission service. The allotment of Channel 227C2 to Shalimar would not deprive Evergreen, Alabama of its sole local transmission outlet, because Evergreen will retain local service from AM Station WIJK. Because Petitioner's proposal is consistent with the provisions of Section 1.420(i) of the Commission's rules, we shall propose to modify the authorization of Station WPGG without entertaining competing expressions of interest in the use of Channel 227C2 at Shalimar, Florida, or requiring Petitioner to demonstrate the availability of an additional equivalent channel for use by other parties.

<sup>1</sup> See *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990).

<sup>2</sup> 90 FCC 2d 88 (1982). The allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters. Equal weight is given to priorities (2) and (3).

4. Since Shalimar is located within the Fort Walton Urbanized Area, Petitioner is required to demonstrate that Shalimar is sufficiently independent of that urbanized area that the Commission can award a first local service preference under priority (3) of the FM allotment priorities.<sup>3</sup> Although Petitioner has submitted data demonstrating that Shalimar is a community, it still must submit a complete *Tuck* showing. Under *Tuck*, we examine proposals such as the one before us by considering three criteria: (1) the population of the urbanized area encompassed by the proposal's 70 dBu contour; (2) the size and proximity of the proposed community to the central city of the urbanized area, and (3) the interdependence of the proposed community to the urbanized area. The interdependence criterion is the most important criterion and includes eight factors.<sup>4</sup> The Commission has considered a community as independent when a majority of these factors demonstrate that the community is distinct from the urbanized area.<sup>5</sup>

5. Consistent with the technical requirements of the Commission's rules, Channel 227C2 can be allotted to Shalimar, Florida, utilizing coordinates of 30-23-36 NL and 86-29-45 WL, with a site restriction of 9.9 kilometers (6.1 miles) southeast of Shalimar.

6. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the communities listed below, as follows:

	<u>Channel Nos.</u>	
<u>City</u>	<u>Present</u>	<u>Proposed</u>
Evergreen, Alabama	227C1	-----
Shalimar, Florida	-----	227C2

7. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.
