

Before the
Federal Communications Commission
Washington, D.C. 20554

In the matter of
Amendment of Section 73.202(b)
FM Table of Allotments,
FM Broadcast Stations.
(Daytona Beach Shores, Florida)
MB Docket No. 04-240
RM-10843

NOTICE OF PROPOSED RULEMAKING

Adopted: June 23, 2004

Released: June 28, 2004

Comments Date: August 19, 2004
Reply comments Date: September 3, 2004

By the Assistant Chief, Audio Division:

- 1. The Audio Division has before it a petition for rule making filed by Carmine Tutera ("Tutera") proposing the allotment of Channel 258A at Daytona Beach Shores, Florida.
2. We initially believe that Tutera's proposal warrants consideration since the proposed allotment could provide the opportunity for first local broadcast service for Daytona Beach Shores.

1 On August 13, 2003, Tutera filed the same proposal for Daytona Beach Shores, Florida, which was found to be unacceptable and was returned by letter.

2 See Kenansville, Florida, 10 FCC Rcd 9831 (1995).

3 Generally, if a community is incorporated or located in the U.S. Census, that is sufficient to satisfy its status. Absent such recognizable community factors, the petitioner must present the Commission with sufficient information to demonstrate that such a place has social, economic, or cultural indicia to qualify it as a community for allotment purposes.

3. In view of the fact that the proposed allotment could provide a first local FM broadcast service to Daytona Beach Shores, Florida, the Commission solicits comments on the proposal to allot Channel 258A to Daytona Beach Shores. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Daytona Beach Shores, Florida:

Community	Channel No.	
	Present	Proposed
Daytona Beach Shores, Florida	-----	258A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.

5. Interested parties may file comments on or before August 19, 2004, and reply comments on or before September 3, 2004, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on Tutera, as follows:

Carmine Tutera
1374 Stanfield Cove
Heathrow, Florida 32746

6. Parties who choose to file by paper must file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁴

8. For further information concerning this proceeding, contact Rolanda F. Smith, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are

(...continued from previous page)

groups, churches, schools, police, etc., that have a nexus with Daytona Beach Shores. Tutera neglected to provide any information to qualify Daytona Beach Shores as a community for allotment purposes.

⁴ See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Makings to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*. 46 FR 11549 (February 9, 1981).

advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioners constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

FEDERAL COMMUNICATIONS COMMISSION

John A. Karousos
Assistant Chief, Audio Division
Media Bureau

Attachment: Appendix

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioners. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center, at its headquarters, 445 12th Street, S.W., Washington, D.C.
