WIRELESS TELECOMMUNICATIONS BUREAU ACTION
REGION 2 (ALASKA) PUBLIC SAFETY
PLANNING COMMITTEES ANNOUNCE
REGION 2 (4.9 GHz) REGIONAL PUBLIC SAFETY PLANNING MEETING
AND
REGION 2 (700 MHz) REGIONAL PUBLIC SAFETY PLANNING MEETING

The Region 2 (Alaska) Regional Planning Committees announce two Region 2 Public Safety planning meetings.

On Thursday, July 22, 2004, the Region 2 4.9 GHz Regional Planning Committee will convene at 1:30 p.m. at the National Law Enforcement and Corrections Technology Center facility located at 3000 C Street, Anchorage, Alaska.

Topic to be discussed will be:

1. Final Review of the 4.9GHz conflict resolution procedures to be added as an appendix to the 700 MHz plan.

Immediately following on Thursday, July 22, 2004, the Region 2 700 MHz Regional Planning Committee meeting will convene at the National Law Enforcement and Corrections Technology Center facility located at 3000 C Street, Anchorage, Alaska.

The agenda for this meeting includes:

1. Review of the statewide interoperability plan as assessed by Chenega Technology Services Corporation and,
2. Review the channel allotments for the Alaska county-like areas.

Each of the Region 2 Public Safety Planning Committee meetings is open to the public. All eligible public safety providers in Alaska whose sole or principal purpose is to protect the safety of life, health, or property may utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band and 4.9 GHz band within Region 2 should plan to attend. Region 2 welcomes all interested parties to attend, participate and volunteer for committee assignments. For further information on any of the Region 2 planning meetings, please contact:
