NOTICE OF PROPOSED RULE MAKING

Adopted: July 21, 2004

Released: July 30, 2004

Comment Date: September 20, 2004
Reply Comment Date: October 5, 2004

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by KCTS Television ("KCTS"), an applicant for NTSC TV channel *62, Seattle, Washington. KCTS requests the substitution of DTV *53 for channel *62 at Seattle.¹

2. The KCTS states that its petition is being filed pursuant to the provisions outlined in the Commission's Public Notice ("*Public Notice*") released on February 6, 2002.² In that *Public Notice* the Commission announced a window filing opportunity to allow applicants with certain pending requests for new analog television stations on channels 52-59 to modify their requests. The Commission further stated that parties with pending petitions for rule making proposing a NTSC replacement channel on channels 52-59, may choose to file a petition for rule making or amendment to their pending petition to specify a new NTSC or DTV channel on channels 2-51 or to propose a new DTV allotment on channels 52-58. KCTS submits that it had previously filed a petition for rule making on July 17, 2000, proposing the substitution of NTSC channel *53 for NTSC channel *62. However, because of the Commission's decision to reallocate channels 52-59, KCTS elects to seek the substitution of DTV *53 in lieu of analog channel *62 to avoid dismissal of its application.

¹ Washington Family Broadcasting, the mutually exclusive applicant for NTSC channel *62 at Seattle, has filed a letter agreeing to join in this petition for rule making to allot DTV channel *53 at Seattle, Washington.

² See *Mass Media Bureau Announces Window Filing Opportunity for Certain Pending Requests for New NTSC Television Stations on Channels 52-59*, DA 02-270.

3. We believe petitioner's proposal warrants consideration. DTV Channel *53 can be substituted for channel *62 at Seattle, Washington, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 47-30-17 N. and 121-58-06 W. Since the community of Seattle is located within 400 kilometers of the U.S.-Canadian border, concurrence from the Canadian government must be obtained for this allotment. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel *53 for channel *62 at Seattle with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
WA Seattle	*53	240	714

4. Accordingly, we seek comments on the proposed amendment of the TV Table of Allotments, Section 73.606(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Seattle, Washington	4, 5+, 7, *9, 22+, 45+, *62	4, 5+, 7, *9 22+, 45+,

5. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Seattle, Washington	25, 38, 39, *41, 44, 48	25, 38, 39, *41, 44, 48 *53

6. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

7. Interested parties may file comments on or before September 20, 2004, and reply comments on or before October 5, 2004, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Margaret L. Miller
Dow, Lohnes & Albertson, PLLC
1200 New Hampshire Avenue, NW
Suite 800
Washington, DC 20036
(Counsel for KCTS Television)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
