The Region 1 (Alabama) 700 MHz Public Safety Planning Committee announces that its next meeting will be held on Wednesday, September 15, 2004, at 10:00 a.m. in conjunction with the Alabama Chapter Meeting of APCO at the ADEM Building, 1400 Coliseum Boulevard, Mountgomery, Alabama. The agenda for the meeting is as follows:

1. Call to Order
2. Approval of the last minutes
3. Treasurers Report
4. Plan Status
5. Review of Coordinated Frequencies
6. Question / Answers
7. Adjournment

The Region 1 700 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers in Alabama whose sole or principal purpose is to protect the safety of life, health, or property in Alabama may utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs.

All interested parties wishing to participate in the planning for the use of new public safety spectrum in the 700 MHz band and/or the newly allocated 4.9 GHz band within Region 1 are encouraged to attend. For further information about the meeting, please contact:
