ORDER

Adopted: September 16, 2004

Released: September 17, 2004

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaints¹ alleging that MCI, Inc. (MCI) changed Complainants' telecommunications service providers without obtaining authorization and verification from Complainants' in violation of the Commission's rules.² We conclude that MCI's actions did not violate our carrier change rules, and we deny Complainants' complaints.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of

No. 104-104, 110 Stat. 56 (1996); *Implementation of the Subscriber Carrier Selection Changes Provisions of the Telecommunications Act of 1996; Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Second Report and Order and Further Notice of Proposed Rule Making, 14 FCC Rcd 1508 (1998) (*Section 258 Order*), *stayed in part*, *MCI Company v. “slamming,” the submission or execution of an unauthorized change in a subscriber’s selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130 authorization; (2) obtains confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission’s rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this Order do not preclude the Commission from taking additional action, if warranted,

pursuant to section 503 of the Act.¹⁰

4. We received Complainants' complaints alleging that Complainants' telecommunications service providers had been changed without Complainants' authorization.¹¹ Pursuant to Sections 1.719 and 64.1150 of our rules,¹² we notified MCI of the complaints and MCI responded.¹³ MCI states that authorizations were received and confirmed through third party verifications. We find that MCI has produced clear and convincing evidence of a valid authorized carrier change by Complainants.¹⁴ Therefore, we find that MCI's actions did not result in an unauthorized change in Complainants' telecommunications service.¹⁵

5. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaints filed by Complainants against MCI ARE DENIED.
