By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it for consideration a multiple docket *Notice of Proposed Rule Making* setting forth two separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.<sup>1</sup> The petitioner for each proposal has stated that it will apply for each requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Information Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

**A. MB Docket No. 04-403; RM-11097**

**Petitioner:** Harry F. Cole, Esq  
Anne Goodwin Crump, Esq.  
Counsel, R.P. Broadcasting, Inc.  
Fletcher, Heald & Hildreth, P.L.C.

<sup>1</sup> 47 C.F.R. 73.202(b).

Arlington, Virginia 22209

**Proposal:** Allot Channel 233C1 at Baudette, Minnesota, as that community's first local aural transmission service.<sup>2</sup>

| <u>Community</u>    | <u>Present</u> | <u>Proposed</u> |
|---------------------|----------------|-----------------|
| Baudette, Minnesota | -----          | 233C1           |

**Coordinates:** 48-42-52 NL and 94-35-32 WL

**Additional Information:** The allotment requires a site restriction of 0.6 kilometers (0.4 miles) east to avoid a short-spacing to Canadian Station CHIQ-FM, Channel 232C, Winnipeg, Manitoba, Canada.

**FCC Contact:** Rolanda F. Smith (202) 418-2180

**B. MB Docket No. 04-404; RM-11098**

**Petitioner:** Charles Crawford  
4553 Bordeaux Avenue  
Dallas, Texas 75205

**Proposal:** Allot Channel 251A at Maysville, Oklahoma, as that community's first local aural transmission service.<sup>3</sup>

| <u>Community</u>    | <u>Present</u> | <u>Proposed</u> |
|---------------------|----------------|-----------------|
| Maysville, Oklahoma | -----          | 251A            |

**Coordinates:** 39-49-00 NL and 97-24-18 WL

**Additional Information:** The allotment requires no site restriction since the proposed site is near the city reference coordinates.

The proposed Maysville allotment conflicts with a proposal to reallocate Channel 249A to Purcell, Texas, in MM Docket No. 00-148, which was dismissed by *Report and Order*. See *Quanah, TX et. al*, 18 FCC Rcd 9495 (MB 2003) (MM Docket No. 00-148). An Application for Review of this decision was filed on June 21, 2004. Although the Application for Review was not directed to the dismissal of the proposed Purcell reallocation, See *Quanah, TX et. al*, 19 FCC Rcd 7159 (MB 2003), we caution parties that this proposal will be granted subject to the outcome of MM Docket No. 00-148, since there is an effective *Order* in that proceeding. See *Auburn, Alabama, et al*, 18 FCC Rcd 10333 (MB 2003). Moreover, the proposed Maysville allotment was short-spaced to the license site of FM Station KJMZ, Channel 251C1,

<sup>2</sup> Baudette is an incorporated city with a 2000 U.S. Census population of 1,104 persons. Petitioner states that Baudette has its own post office, zip code, elementary and secondary school system, health facilities, and a number of local churches and commercial businesses. Baudette also has its own weekly newspaper, *The Northern Light*.

<sup>3</sup> Maysville is an incorporated town with a 2000 U.S. Census population of 1,313 persons. Petitioner states that Maysville has its own mayor, post office, zip code, police department, fire department, city hall, school system and a number of churches. Okie Broadcasting filed comments supporting the proposed Maysville allotment.

Lawton, Oklahoma, however, there is no conflict present in this instance since FM Station KJMZ license was modified to specify operation on Channel 250A at Cache, Oklahoma in lieu of Channel 251C1 at Lawton, Oklahoma in MM Docket No. 01-293.<sup>4</sup> As such, Perry Broadcastings of Lawton, Inc., licensee of FM Station KJMZ filed a minor change application implementing this change.<sup>5</sup>

3. Comments, reply comments, counterproposals and other pleadings filed in response to this multiple docket *Notice of Proposed Rule Making* should reference *only* the specific docket to which the filing pertains. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the Appendix before a channel will be allotted.

Sections 1.415 and 1.419, interested parties may file comments on or before December 16, 2004, and reply comments on or before December 31, 2004, and are advised to read the *Appendix* for the proper procedures. Additionally, a copy of such comments should be served on the petitioner, as listed above for each docket.

5. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.<sup>6</sup> This document does not contain [new or modified] information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified "information collection burden for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

6. For further information concerning a proceeding listed above, contact the FCC contact listed for that proceeding. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

APPENDIX

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See 47 C.F.R. Section 1.420(d).)

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in 47 C. F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., TW-A325, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center (Room CY-A257) at its headquarters, 445 12<sup>th</sup> Street, S.W, Washington, D.C.
