By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it the *Notice of Proposed Rule Making* in this proceeding proposing the reallocation of Channel 248B from Trenton to Burlington, New Jersey, and modification of the license of Station WPST specify operation on Channel 248B at Burlington.¹ Nassau Broadcasting II, L.L.C. (“Nassau Broadcasting”) filed Comments. For the reasons discussed below, we are granting the proposed channel reallocation and modification of license.

2. Nassau Broadcasting, licensee of Station WPST, Channel 248B, Trenton, New Jersey, filed this proposal pursuant to Section 1.420(i) of the Commission’s rules which permits the modification of a station authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.² *Community of License* requires that any reallocation proposal result in a preferential arrangement of allotments using the FM allotment priorities set forth in *Revision of FM Assignment Policies and Procedures*.³

3. As requested, we are reallocating Channel 248B from Trenton to Burlington, New Jersey, and are modifying the Station WPST license to specify operation on Channel 248B at Burlington.⁴ There will no change in the currently authorized Station WPST transmitter site.⁵ This will provide a first local service for

³ 90 FCC 2d 88 (1988). The FM allotment priorities are: (1) First fulltime aural service; (2) Second fulltime aural service; (3) First local service; and (4) Other public interest matters. Co-equal weight is given to Priorities (2) and (3).

⁴ The reference coordinates for the Channel 248B allotment at Burlington, New Jersey, are 40-14-05 and 74-46-02.

⁵ Station WPST is a pre-1964 grandfathered short-spaced station. Even though we are creating a new short-spaced allotment not in conformity with Section 73.207 of the rules, we permit such a station to change its community of license where there is no change in transmitter site. See *Newnan and Peachtree City, Georgia*, 7 (continued....)
