Re: Final Bid Withdrawal Payment For Auction No. 34

Dear Mr. Boyer:

Nevada Wireless LLC ("Nevada"), a participant in Auction No.34, withdrew its high bid on three licenses (BEA047FF, BEA124EE, BEA140F) in that auction. Auction No.43, the subsequent auction for the license on which Nevada withdrew its high bid, has closed. As shown on Attachment A, in accordance with the Federal Communication Commission's ("Commission's") rules, we are now able to calculate Nevada's final bid withdrawal payment obligation.

Under the Commission's rules, a bidder that withdraws a high bid during the course of an auction is subject to a bid withdrawal payment equal to the difference between the amount of the withdrawn bid and the amount of the subsequent winning bid. If a high bid is withdrawn on a license that remains unsold at the close of the auction, the withdrawing bidder will be required to make an interim payment equal to three percent (3%) of the net amount of the withdrawn bid.¹ This payment amount is deducted from any upfront payments or down payments deposited for this bidder's account with the Commission.² If, in a subsequent auction, that license receives a winning bid (or a subsequent withdrawn bid) in an amount equal to or greater than the withdrawn bid amount, then no final bid withdrawal payment will be assessed, and, upon appropriate request, the Commission will refund the interim three percent (3%) payment.³ If in a subsequent auction, the winning bid for that license (or subsequent withdrawn bid) is less than the bidder's withdrawn amount, then the bidder will be required to make a final bid withdrawal payment

¹ Implementation of Section 309(j) of the Communications Act—Competitive Bidding, PP Docket No. 93-253, *Fifth Report and Order*, 9 FCC Rcd 5532, 5563 at n. 51 (1994); C.H. PCS, Inc., 11 FCC Rcd 14495 (1996) (requiring a three percent deposit).

³ 47 C.F.R. § 1.2104(g)(1).

equal to either the difference between the bidder's net withdrawn bid and the subsequent net winning bid, or the difference between the bidder's gross withdrawn bid and the subsequent gross winning bid, whichever is less.⁴

As shown in Attachment A, in accordance with Section 1.2104(g)(1), after applying any interim bid withdrawal payments or amounts on deposit with the Commission, Nevada has a refund due of \$3,255.00.

Ordering Clauses

IT IS FURTHER ORDERED, that, pursuant to 47 C.F.R. §§ 1.2104 and 1.2106, Nevada Wireless LLC's interim bid withdrawal payments or funds on deposit will be applied towards the sum of the final bid withdrawal payments.

IT IS FURTHER ORDERED, in accordance with Section 1.2104 of the Commission's rules, the Commission is prepared to refund to the payor(s) of record, the remaining funds withheld in connection with Nevada Wireless LLC's withdrawals referenced above.
