ORDER

Adopted: November 29, 2004

Released: November 30, 2004

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaint¹ alleging that New Century Telecom, Inc. (Business Options) changed Complainant's telecommunications service provider without obtaining authorization and verification from Complainant in violation of the Commission's rules.² We conclude that New Century's actions did result in an unauthorized change in Complainant's telecommunications service provider and we grant Complainant's complaint.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

“slamming,” the submission or execution of an unauthorized change in a subscriber’s selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130 authorization; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission’s rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainant’s complaint on December 30, 2003, alleging that Complainant’s telecommunications service provider had been changed to New Century without Complainant’s authorization. Pursuant to Sections 1.719 and 64.1150 of our rules,¹¹ we notified

⁸ See 47 C.F.R. §§ 64.1140, 64.1160. Any charges imposed by the unauthorized carrier on the subscriber for service provided after this 30-day period shall be paid by the subscriber to the authorized carrier at the rates the subscriber was paying to the authorized carrier at the time of the unauthorized change. *Id.*

¹¹ 47 C.F.R. § 1.719 (Commission procedure for informal complaints filed pursuant to Section 258 of the Act); 47 C.F.R. § 64.1150 (procedures for resolution of unauthorized changes in preferred carrier).

New Century of the complaint and New Century responded on April 14, 2004.¹² New Century states authorization was received and confirmed through third party verification. New Century's sales representative failed to drop off the line once the three-way connection was established, as required by our rules¹³ We find that New Century has failed to produce clear and convincing evidence that Complainant authorized a carrier change.¹⁴ Therefore, we find that New Century's actions resulted in an unauthorized change in Complainant's telecommunications service provider and we discuss New Century's liability below.¹⁵

5. Pursuant to Section 64.1170(b) our rules, New Century must forward to SBC an amount equal to 150% of all charges paid by the subscriber to New Century along with copies of any telephone bills issued from New Century to the Complainant.¹⁶ Within ten days of receipt of this amount, SBC shall provide a refund or credit to Complainant in the amount of 50% of all charges paid by Complainant to New Century. Complainant has the option of asking SBC to re-rate New Century's charges based on SBC's rates and, on behalf of Complainant, seek from New Century, any re-rated amount exceeding 50% of all charges paid by Complainant to New Century. SBC must also send a notice to the Commission, referencing this Order, stating that it has given a refund or credit to Complainant.¹⁷ If SBC has not received the reimbursement required from New Century within 45 days of the release of this Order, SBC must notify the Commission and Complainant accordingly. SBC also must notify the Complainant of his or her right to pursue a claim against New Century for a refund of all charges paid to New Century¹⁸

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaint filed against New Century IS GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(d) of the Commission's rules, 47 C.F.R. § 64.1170(d), Complainant is entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and neither Ntelos nor New Century may pursue any collection against Complainant for those charges.

¹³ See 47 C.F.R. § 64.1120(c).

¹⁴ See 47 C.F.R. § 64.1150(d).

¹⁵ If Complainant is unsatisfied with the resolution of this complaint, Complainant may file a formal complaint with the Commission pursuant to Section 1.721 of the Commission's rules, 47 C.F.R. § 1.721. Such filing will be deemed to relate back to the filing date of Complainant's informal complaint so long as the formal complaint is filed within 45 days from the date this order is mailed or delivered electronically to Complainant. See 47 C.F.R. § 1.719.

¹⁷ See 47 C.F.R. § 64.1170(c).

8. IT IS FURTHER ORDERED that this Order is effective upon release.
