NOTICE OF PROPOSED RULE MAKING

Adopted: February 12, 2004

Released: February 20, 2004

Comment Date: April 12, 2004
Reply Comment Date: April 27, 2004

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Gainesville Channel 61 Associates, LLC (“GCA”), an applicant for a construction permit for a new NTSC facility to operate on channel 61 at Gainesville, Florida.¹ GCA request the substitution of channel 29 for channel 61+.
2. In filing its petition, GCA seeks to invoke the provisions outlined in the Commission Public Notice (“*Public Notice*”), released on November 22, 1999, DA 99-2605. In that *Public Notice*, the Commission announced a window filing opportunity to allow for, among other things, applicants for new NTSC stations on channels 60 through 69 to modify their proposals to specify a channel below channel 60. GCA submits its petition to seek a new channel below channel 60.
3. We believe GCA proposal warrants consideration. A staff engineering analysis indicates that channel 29 can be substitution for channel 61+ at Gainesville with a zero offset consistent with the minimum distance separation requirements of Sections 73.610 and 73.698 of the Commission's Rules. The coordinates for channel 29 at Gainesville are North Latitude 29-37-47 and West Longitude 82-34-24 .
4. Accordingly, we seek comments on the proposed amendment of the TV Table of Allotments, Section 73.606(b) of the Commission's Rules, for the community listed below, to read as

¹ KB Prime Media LLC and Television Capital Corporation of Gainesville were originally the two competing applicants for channel 61 at Gainesville. Subsequently, KB Prime agreed to dismiss its application and join Television Capital Corporation to become 50% owners of GCA. On January 30, 1998, the Kb Prime and Television Capital filed a Settlement Agreement with the Commission.

follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Gainesville, Florida	*5, 20, 61+	*5, 20, 29

5. The Commission's authority to institute rule-making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 12, 2004, and reply comments on or before April 27, 2004 and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

David D. Oxenford
 Shaw Pittman
 2300 N Street, NW
 Washington, DC 20037-1128
 (Counsel for Gainesville Channel 61 Associates, LLC)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b). See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be

considered in the proceeding. Any reply comment, which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.). The Commission permits the electronic filing of all pleadings and comments in proceeding involving petitions for rule making (*except in broadcast allotment proceedings*). See Electronic Filing of Documents in Rule Making Proceedings, GC Docket No. 97-113 (rel. April 6, 1998).
