WIRELESS TELECOMMUNICATIONS BUREAU ANNOUNCES IT IS PREPARED TO GRANT REGIONAL NARROWBAND PCS SPECTRUM LICENSES UPON FULL AND TIMELY PAYMENT

AUCTION EVENT NO. 51

Report No. AUC 51 (Auction No. 51)

On September 25, 2003, the Federal Communications Commission completed the auction of six regional narrowband Personal Communications Service (“narrowband PCS”) licenses in the 900 MHz band.¹ After a preliminary review of the FCC long-form applications (FCC Form 601), the application listed in Attachment A to the October 1, 2003 Public Notice was accepted for filing.²

By this Public Notice, the Wireless Telecommunications Bureau announces that it is prepared to grant the application for the license listed in Attachment A to this Public Notice, upon the full and timely payment of the remaining balance of the applicant’s winning bid. Such payment must be received by the Commission within ten (10) business days after the date of this Public Notice (*i.e.* by **December 15, 2004**). *See* 47 C.F.R. § 1.2109(a). If the winning bidder fails to pay the balance of its winning bid in a lump sum by **December 15, 2004**, it may pay the remaining balance within ten (10) business days after the payment deadline (*i.e.* by **December 30, 2004**), provided that it also pays a late fee equal to five percent of the amount due. *See* 47 C.F.R. § 1.2109(a).

If the winning bidder listed in Attachment A fails to pay the balance of its winning bid by the late payment deadline of **December 30, 2004**, it will be in default and subject to applicable default payments. *See* 47 C.F.R. §§ 1.2104(g), 1.2109(c). Such applicant will be assessed default penalties as prescribed by sections 1.2104(g) and 1.2109(c) of the Commission’s rules. *See* 47 C.F.R. §§ 1.2104(g), 1.2109(c).

¹ *See* Regional Narrowband PCS Spectrum Auction Closes; Winning Bidder Announced, *Public Notice*, 18 FCC Rcd 19689 (2003).

² *See* Wireless Telecommunications Bureau Announces that Application for Regional Narrowband PCS Spectrum is Accepted for Filing, Auction Event No. 51, *Public Notice*, 19 FCC Rcd 1505 (2004).

Payment Instructions

All payments must be made in U.S. currency in the form of a wire transfer. *See* 47 C.F.R. § 1.2107(b). No personal checks, cashier's checks or other forms of payment will be accepted.

Wire transfer payments must be received by Mellon Bank no later than **6:00 p.m. Eastern Time, December 15, 2004 (or 6:00 p.m. Eastern Time, December 30, 2004, along with the five percent late fee)**. Applicants should allow sufficient time for the wire transfer to be initiated and for the transmission to be completed prior to the deadline. To submit funds by wire, applicants will need the following information to properly effect the transmittal:

ABA ROUTING NUMBER: 043000261
RECEIVING BANK: Mellon Pittsburgh
BNF: FCC Account Number 911-6106
OBI Field: (Skip one space between each information item)
PAYER FRN NO.: (same as FCC Form 159, Block 11)
APPLICANT FRN NO.: (if different from payer, FCC Form 159, Block 21)
PAYMENT TYPE CODE: (enter "A51D")
PAYER NAME: (same as FCC Form 159, Block 2)
LOCKBOX NO.: 358850

Payments must be preceded by a completed FCC Remittance Advice Form (FCC Form 159). On the same business day applicants pay the balance due to Mellon Bank, applicants must fax a completed FCC Form 159 to Mellon Bank at (412) 209-6045 at least one hour prior to placing the order for the wire transfer.

When completing FCC Form 159 (February 2003 Version), applicants must type the auction number, "51," in Block(s) 28A and 28B ("FCC Code 1"). Applicants also must type the applicable license numbers in Blocks 29A and 29B ("FCC Code 2") of FCC Form 159. License numbers should be identified by typing "CN" (radio service code), followed by the market designator (MTA), followed by the market number (000-734), and the frequency block (blocks 26, 27, 29, 30, 31 and 32). An example of a correct license number would be "CNMTA00126" or "CNMTA00131." The radio service code, market designator, market number, and frequency block designations are listed in Attachment A. Form 159 provides sufficient boxes to list only two licenses. Applicants must then use FCC Form 159-C ("Continuation Sheet") for the remainder of their licenses.

Further information

For questions regarding the calculation and submission of final payment, the FCC Form 159 and refunds, contact Gail Glasser, Office of the Managing Director, Financial Operations Center, Auctions Accounting Group, at (202) 418-0578.

For questions regarding legal matters and licensing issues, contact Erin A. McGrath, Wireless Telecommunications Bureau, Mobility Division, at (202) 418-2042, or Michael Connelly, Wireless Telecommunications Bureau, Mobility Division, at (202) 418-0132.

The news media should contact Lauren Patrich, Wireless Telecommunications Bureau, at (202) 418-7944.
