**REPORT AND ORDER  
 (Proceeding Terminated)**

**Adopted: December 15, 2004**

**Released: December 17, 2004**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it two *Notices of Proposed Rule Making*,<sup>1</sup> specified below, setting forth separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission’s rules.<sup>2</sup> Each petitioner filed comments in support of its proposal reaffirming its intention to apply for the requested channel, if allotted. Each proposal complies with all Commission technical requirements and we continue to believe each proposal would serve the public interest. There were no additional comments or counterproposals received in response to the above-listed dockets. Accordingly, we adopt each proposal as originally proposed. These are as follows:

**A. MB Docket No. 04-340; RM-11062**

**Action:** At the request of Charles Crawford, we are allotting Channel 264C3 at Crosbyton, Texas, as the community’s first local aural transmission service. Crosbyton is an incorporated city with a 2000 U.S. Census population of 1,874 persons.

**Coordinates:** The reference coordinates for Channel 264C3 at Crosbyton are 33-41-30 North Latitude and 101-06-31 West Longitude.

**Additional Information:** This allotment requires a site restriction located 12.5 kilometers (7.7 miles) east of the community at the coordinates indicated above.

**FCC Contact:** Helen McLean (202) 418-2738.

<sup>1</sup> *Crosbyton, Texas*, 19 FCC Rcd 16612 (MB 2004) and *Union Gap, Washington*, 19 FCC Rcd 16604 (MB 2004).

<sup>2</sup> 47 C.F.R. § 73.202(b).

**B. MB Docket No. 04-327; RM-11063**

**Action:** At the request of Linda A. Davidson, we are allotting Channel 285A at Union Gap, Washington, as the community's first local aural transmission service. Union Gap is an incorporated city with a 2000 U.S. Census population of 5,621 persons.

**Coordinates:** The reference coordinates for Channel 285A at Union Gap are 46-31-48 North Latitude and 120-27-18 West Longitude.

**Additional Information:** This allotment requires a site restriction located 3.4 kilometers (2.1 miles) southeast of the community at the coordinates indicated above. Because the reference coordinates at Union Gap are located within 320 kilometers (199 miles) of the U.S.-Canadian border, concurrence of the Canadian Government has been obtained for this allotment.

2. Accordingly, pursuant to the authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS ORDERED, That effective January 31, 2005, the FM Table of Allotments, 47 C.F.R.
