By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Hancock Communications, Inc. ("Petitioner"), licensee of Station WLME(FM) ("WLME"), Channel 275C3, Cannelton, Indiana, and Station WTCJ-FM, Channel 289A, Tell City, Indiana. Petitioner seeks to amend the FM Table of Allotments by reallocating Channel 275C3, from Cannelton to Tell City, and modifying the license of Station WLME accordingly. Since this proposal would remove the sole local aural transmission service from Cannelton, Indiana, Petitioner proposes the reallocation of Channel 289A from Tell City to Cannelton and the modification of Station WTCJ-FM's license accordingly. Petitioner observes that the proposed reallocations are mutually exclusive with the existing licensed facilities, as required by Section 1.420(i) of the Commission's rules, which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.<sup>1</sup> Further, Petitioner states that if Channels 275C3 and 289A are reallocated as proposed, Petitioner will file applications for the reallocated channels, will modify the facilities of the stations promptly, and commence operation of the reallocated channels at Tell City and Cannelton.

2. Petitioner asserts that the adoption of its proposal will result in a preferential arrangement of FM allotments consistent with the FM allotment priorities set forth in *Revision of FM Assignment Policies and Procedures*.<sup>2</sup> The Station WLME move from Cannelton to Tell City would result in a net gain in service to 35,450 persons. The Station WTCJ-FM move from Tell City to Cannelton would result in a net gain in service to 14,400 persons. Both the gain and loss areas involved in the station moves are well served with five or more radio broadcast stations. Thus, grant of Petitioner's proposal will result in net service gains, which would result in a preferential arrangement of allotments. Because Petitioner's proposal is consistent with the provisions of Section 1.420(i) of the Commission's rules, we shall not accept competing expressions of interest in the use of Channel 275C3 at Tell City or Channel 289A at Cannelton, Indiana.

<sup>1</sup> See *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990).

<sup>2</sup> 90 FCC 2d 88 (1982). The FM allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters. Equal weight is given to priorities (2) and (3).

3. This proposal complies with the Commission's technical rules and warrants consideration because it could provide a net gain in population served by the two stations. Consistent with the technical requirements of the Commission's rules, Channel 289A, Station WTCJ-FM, can be allotted to Cannelton, Indiana, utilizing coordinates of 37-48-13 NL and 86-48-57 WL, with a site restriction of 13.5 kilometers (8.4 miles) southwest of Cannelton. As a result of the reallocation of Channel 289A to Cannelton, Station WTCJ-FM, will now provide a 70 dBu signal to 72 percent of the Owensboro, Kentucky Urbanized Area. Accordingly, Petitioner must provide a *Tuck* showing that Cannelton is independent of the Owensboro, Kentucky Urbanized Area.<sup>3</sup> Channel 275C3 can be allotted to Tell City utilizing coordinates of 37-50-52 NL and 86-36-18 WL, with a site restriction of 18.4 kilometers (11.4 miles) southeast of Tell City.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 202(b), with respect to the communities listed below, as follows:

<u>City</u>	<u>Channel Nos.</u>	
	<u>Present</u>	<u>Proposed</u>
Cannelton, Indiana	275C3	289A
Tell City, Indiana	289A	275C3

5. 8. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.<sup>4</sup> This document does not contain [new or modified] information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified "information collection burden for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4).
