## **DOMESTIC SECTION 214 APPLICATION FILED FOR TRANSFER OF CONTROL OF SULLY TELEPHONE'S REASNOR EXCHANGE TO REASNOR TELEPHONE**

### **NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 04-425**

**SULLY TELEPHONE ASSOCIATION, INC., AND REASNOR TELEPHONE, LLC  
SEEK WAIVER OF THE STUDY AREA BOUNDARY FREEZE AS CODIFIED IN  
PART 36 AND WAIVER OF SECTION 69.605(c) OF THE COMMISSION'S RULES**

### **PLEADING CYCLE ESTABLISHED**

**CC Docket No. 96-45**

**Comments Due: January 3, 2005**

**Reply Comments Due: January 10, 2005**

On November 19, 2004, Sully Telephone Association, Inc. ("Sully Telephone") and Reasnor Telephone Company, LLC ("Reasnor Telephone") (collectively, the "Applicants") filed an application pursuant to sections 63.03 and 63.04 of the Commission's rules<sup>1</sup> requesting approval to transfer control of Sully Telephone's Reasnor, Iowa exchange to Reasnor Telephone. On December 15, 2005, Sully Telephone and Reasnor Telephone filed a joint petition for waiver of the study area boundary freeze as codified in the Appendix-Glossary of Part 36 of the Commission's rules (Study Area Waiver).<sup>2</sup> Reasnor Telephone also seeks a waiver of the definition of "average schedule company" in section 69.605(c) of the Commission's rules (Average Schedule Waiver).<sup>3</sup>

<sup>1</sup> 47 C.F.R §§ 63.03, 63.04; *see* 47 U.S.C. § 214.

<sup>2</sup> 47 C.F.R. § 36, App. (defining "study area").

<sup>3</sup> 47 C.F.R. § 69.605(c).

Transfer of Control Application: Applicants seek streamlined treatment for this transaction under section 63.03(b)(1)(iii) of the Commission's rules because it involves only the transfer of the local exchange assets of an incumbent LEC by means other than acquisition of control.<sup>4</sup> Because the domestic 214 application is associated with a non-routine request for waiver of the Commission's rules, it is not subject to streamlined treatment.<sup>5</sup>

Sully Telephone is an independent telephone company that currently provides local exchange telecommunications services in the Sully and Reasnor exchanges. Reasnor Telephone is a newly formed company that intends to operate as a provider of local exchange and exchange access telecommunications services in Iowa. Reasnor Telephone is wholly owned by Gary Neill.

Sully Telephone proposes to sell all of the assets of the Reasnor, Iowa exchange to Reasnor Telephone. Upon consummation of this transaction, Reasnor Telephone will become the incumbent LEC in the Reasnor, Iowa exchange area.

Applicants assert that the proposed transfer of control is in the public interest because it will result in the efficient provision of high quality telecommunications services to rural consumers, and it will result in direct benefits to customers in both the Reasnor and Sully exchanges. Applicants also assert that Reasnor Telephone will offer substantially identical telecommunications services, at similar rates, to those currently available to Sully Telephone's customers in the Reasnor exchange and the transfer will be completely seamless to the subscribers in each exchange. Applicants state that subscribers in the Sully exchange will also benefit from the proposed transaction as Sully Telephone intends to use the economic gains from the sale of the Reasnor exchange to make upgrades to its equipment.

Study Area Waiver and Average Schedule Waiver: The requested study area waiver would permit Sully Telephone to remove from its study area the Reasnor exchange (approximately 275 access lines) that it is transferring to Reasnor Telephone. The waiver would also allow Reasnor Telephone to create a new study area consisting only of the Reasnor exchange. Reasnor Telephone's requested waiver of section 69.605(c) of the Commission's rules would permit it to operate as an average schedule company after the acquisition of the Reasnor exchange from Sully Telephone. Section 69.605(c) defines an average schedule company as a telephone company that was participating in average schedule settlements on December 1, 1982.

## **GENERAL INFORMATION**
