NEW INTEGRATED SPECTRUM AUCTION SYSTEM ORIENTATION SESSION REMINDER

The Federal Communications Commission will hold an orientation session for the new Integrated Spectrum Auction System (“ISAS”). This new system combines the FCC Form 175 auction application, bidding functions, and administration processes into a single system. The session will be held at FCC headquarters, 445 12th Street, SW, Washington, DC. Those unable to attend may view this session via webcast at <http://www.fcc.gov/realaudio/>. Pre-registration is requested.

The session date and times are as follows:

April 21, 2005	9:30 AM – 10:00 AM	Registration
April 21, 2005	10:00 AM – 11:00 AM	FCC Form 175 Filing
April 21, 2005	11:15 AM – 12:30 PM	Auction Bidding

The first presentation will provide a step-by-step demonstration of how to complete the fully automated FCC Form 175, while the second presentation will focus on the functionality of the new bidding system. An opportunity for hands-on access to the software will be provided at the conclusion of the session, and FCC staff will be available to assist with using the new system and to answer questions. This session is being held in advance of the first auction using ISAS, Auction No. 60 – Lower 700 MHz Band, which is scheduled to begin July 20, 2005.

To register, please call the FCC at (888) 225-5322, select option two, and ask to speak with an Auctions representative; send an e-mail with your name, address, phone number, and a subject line of “ISAS Orientation Session” to auchelp@fcc.gov; or send a fax request to (717) 338-2850. For further information, please contact the Auctions and Spectrum Access Division at (202) 418-0660.
