below, we grant the Requests for Review and remand them to USAC for further consideration.

2. Prior to the *Schools Fourth Order*, the Commission directed USAC to recover funds disbursed in violation of the statute or a rule from service providers only.<sup>2</sup> In the *Schools Fourth Order*, the Commission determined that recovery of schools and libraries funds disbursed in violation of the statute or a rule should be directed to the party or parties responsible for the statutory or rule violation, including a school or library.<sup>3</sup> The Commission directed USAC to implement this policy on a going forward basis to all matters for which USAC has not yet issued a demand letter as of the effective date of the Order and to all recovery actions currently under appeal to either USAC or the Commission.<sup>4</sup> Each Request for Review raises the argument that another party, particularly the school or library receiving discounted services or another service provider, committed the statutory or rule violation for which SLD is seeking recovery of funds.<sup>5</sup> Because USAC did not consider which party was responsible for the statutory or rule violation at issue, we find it appropriate to remand the above-captioned Requests for Review of commitment adjustment decisions to USAC for further consideration consistent with the Commission's decision in the *Schools Fourth Order*.

3. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 54.722(a), that the requests for review filed by Ameritech Advanced Data Services, Inc. – St. Lorenz Lutheran School, Frankenmuth, Michigan, on July 14, 2004; BellSouth Telecommunications, Inc. – Orleans Parish School District, New Orleans, Louisiana, on May 10, 2004; DeltaNet, Inc. – Calvery Chapel Academy, Lawrence, Kansas, on December 15, 2003; OneNet – Ada Independent School District 119, Ada, Oklahoma, on March 8, 2004; OneNet – Beaver Independent School District 22, Beaver, Oklahoma, on March 8, 2004; OneNet – Butler Independent School District, Butler, Oklahoma, on March 8, 2004; OneNet – Caddo-Kiowa Area Voc-Tech, Fort Cobb, Oklahoma, on March 8, 2004; OneNet – Cameron Independent School District, Stilwell, Oklahoma, on March 8, 2004; OneNet – Erick Independent School District, Erick, Oklahoma, on March 8, 2004; OneNet – Forgan Independent School District 123, Forgan, Oklahoma, on March 8, 2004; OneNet – Great Plains Voc-Tech Center, Lawton, Oklahoma, on March 8, 2004; OneNet – Kiamichi Area Vo-Tech District, Wilburton, Oklahoma, on March 8, 2004; OneNet – Lawton Public School District 18, Lawton, Oklahoma, on March 8, 2004; OneNet – Milburn Independent School District 29, Milburn, Oklahoma, on March 8, 2004; OneNet – Moyers School District 22, Moyers, Oklahoma, on March 8, 2004; OneNet – Oklahoma School for the Deaf, Sulphur, Oklahoma, on March 8, 2004; OneNet – Perry Independent School District, Perry, Oklahoma, on March 8, 2004; OneNet – Pickett-Center School District 20, Ada, Oklahoma, on March 8, 2004; OneNet – Sapulpa Public Schools, Sapulpa, Oklahoma, on March 8, 2004; OneNet – Southeastern Public Library System of Oklahoma, McAlester, Oklahoma, on March 8, 2004; OneNet – Southwestern Technology Center, Altus, Oklahoma, on March 8, 2004;
