## **DOMESTIC SECTION 214 APPLICATION FILED FOR TRANSFER OF CONTROL OF MIDWEST INFORMATION SYSTEMS, INC. TO ARVIG ENTERPRISES, INC.**

### **NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 05-172**

**Comments Due: May 18, 2005**

**Reply Comments Due: May 25, 2005**

On April 8, 2005, Midwest Information Systems, Inc. (“MIS”), its wholly owned subsidiaries Midwest Telephone Co. and The Peoples Telephone Co. of Bigfork (“Peoples”), Midwest Telephone Co.’s wholly owned subsidiary Osakis Telephone Company (“Osakis”), and MIS’ parent Varistar Corporation (collectively “Midwest”), and Arvig Enterprises, Inc. (“Arvig” or “Transferee”) (collectively the “Applicants”) filed an application pursuant to sections 63.03 and 63.04 of the Commission’s rules<sup>1</sup> requesting approval to transfer control of Midwest Telephone Co., Osakis and Peoples to Arvig.<sup>2</sup>

Applicants seek streamlined treatment for this transaction on a case-by-case basis, pursuant to section 63.04(a)(8), because the transaction is not entitled to presumptive streamlined treatment under section 63.03(b)(2)(iii) of the Commission’s rules. At the completion of the proposed transaction, Arvig and its affiliates will have a less than 10% share of the interstate, interexchange market; and Arvig and its affiliates are incumbent independent local exchange carriers (LECs) that will have fewer than 2% of the nation’s subscriber lines installed in the aggregate nationwide, and no overlapping service areas. However, an exchange of an Arvig affiliate lies adjacent to two exchanges of Midwest Telephone Co. Because the Applicants have adjacent service areas, this application is not subject to streamlined treatment.<sup>3</sup>

<sup>1</sup> 47 C.F.R §§ 63.03, 63.04; *see* 47 U.S.C. § 214.

<sup>2</sup> Applicants are also filing applications for transfer of control of wireless licenses related to this transaction. Any action on this domestic 214 application is without prejudice to Commission action on other related pending applications.

<sup>3</sup> *See* 47 C.F.R. § 63.03(b)(2)(iii); *Implementation of Further Streamlining Measures for Domestic Section 214 Authorizations*, 17 FCC Red 5517, 5534 (2002), para. 32.

MIS, Midwest Telephone Co., Osakis, Peoples, and Varistar Corporation are all Minnesota corporations. The Transferee, Arvig, is also a Minnesota corporation. Midwest Telephone Co., Osakis and Peoples are independent incumbent local exchange carriers providing local exchange, exchange access and long distance service to subscribers in the following local exchanges in Minnesota: Eagle Bend, Miltona, Parkers Prairie and Urbank (Midwest Telephone Co.); Bigfork and Marcell (Peoples); Osakis (Osakis). Midwest Telephone Co. and Peoples are wholly owned by MIS. Midwest Telephone Co. owns 100% of Osakis. Varistar Corporation owns 100% of MIS and Varistar is, in turn, wholly owned by Otter Tail Corporation. No entity owns ten percent or more of Otter Tail Corporation. The following entities own ten percent or more of Arvig: Allen R. Arvig and Donna M. Ward own 35.75% and 21.09% of the common stock of Arvig Enterprises, Inc. In addition, Marvin S. Ward is the successor trustee of the Eleanor M. Arvig Revocable Trust and holds 99.87% of the preferred stock of Arvig Enterprises, Inc., which carries no voting rights.

The Applicants executed a Stock Purchase Agreement for the transfer of all outstanding capital stock of MIS to Arvig. As a result, Arvig will acquire three incumbent local exchange carriers, Midwest Telephone Co., Osakis, and Peoples.

The Applicants state that the proposed transfer of control is in the public interest because service will continue under the same terms and conditions subscribers currently enjoy. The Applicants assert that Arvig possesses the required financial, managerial and technical resources to provide telecommunications services through the acquired entities. The Applicants state that Arvig's well-established record of providing the customers of its currently held operating subsidiaries with high quality telecommunications services include: East Otter Tail Telephone Company, Twin Valley-Ulen Telephone Company, Callaway Telephone Company, and Tekstar Communications, Inc. According to the Applicants, each of these companies provides telecommunications services in Minnesota, in service areas that do not overlap with the local exchanges served by Midwest Telephone Co., Osakis or Peoples.
