**REPORT AND ORDER

**Adopted: June 8, 2005**

**Released: June 10, 2005**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it *Notices of Proposed Rule Making*, specified below, setting forth five separate proposals to allot an FM channel to a specific community. In each proceeding, the petitioner filed comments in support of its proposal reaffirming its intention to apply for the specified channel, if allotted. Each proposal complies with all Commission technical requirements and we continue to believe that each proposal would serve the public interest. Accordingly, we adopt each proposal as originally proposed. These are as follows:
