**ORDER**

**Adopted: June 24, 2005**

**Released: June 28, 2005**

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaint<sup>1</sup> alleging that Business Network Long Distance (Business Network) changed Complainant's telecommunications service provider without obtaining authorization and verification from Complainant in violation of the Commission's rules.<sup>2</sup> We conclude that Business Network's actions did result in an unauthorized change in Complainant's telecommunications service provider and we grant Complainant's complaint.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).<sup>3</sup> Section 258 prohibits the practice of

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of Access and Divestiture Related Tariffs, CC Docket No. 83-1145, Phase I, 101 F.C.C.2d 911, 101 F.C.C.2d 935, *reconsideration denied*, 102 F.C.C.2d 503 (1985).

“slamming,” the submission or execution of an unauthorized change in a subscriber’s selection of a provider of telephone exchange service or telephone toll service.<sup>4</sup> In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.<sup>5</sup> Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.<sup>6</sup> Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130 authorization; (2) obtain confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.<sup>7</sup>

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.<sup>8</sup> Where the subscriber has paid charges to the unauthorized carrier, the Commission’s rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.<sup>9</sup> Carriers should note that our actions in this order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.<sup>10</sup>

4. We received Complainant’s complaint on June 14, 2004, alleging that Complainant’s telecommunications service provider had been changed from Sprint to Business Network without Complainant’s authorization. Pursuant to Sections 1.719 and 64.1150 of our rules,<sup>11</sup> we notified Business Network of the complaint and Business Network responded on

September 27, 2004.<sup>12</sup> Business Network has failed to provide a letter of agency or third party verification as proof of the authorization for the switch, as required by our rules.<sup>13</sup> We find that Business Network has failed to produce clear and convincing evidence that Complainant authorized a carrier change.<sup>14</sup> Therefore, we find that Business Network's actions resulted in an unauthorized change in Complainant's telecommunications service provider and we discuss Business Network's liability below.<sup>15</sup>

5. Business Network has removed all charges incurred for service provided to Complainant for the first thirty days after the alleged unauthorized change in accordance with the Commission's liability rules.<sup>16</sup> We have determined that Complainant is entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and that neither Sprint nor Business Network may pursue any collection against Complainant for those charges.<sup>17</sup> Any charges imposed by Business Network on the subscriber for service provided after this 30-day period shall be paid by the subscriber to Sprint at the rates the subscriber was paying to the authorized carrier at the time of the unauthorized change.<sup>18</sup>

6. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaint filed against Business Network IS GRANTED.

7. IT IS FURTHER ORDERED that, pursuant to Section 64.1170(d) of the Commission's rules, 47 C.F.R. § 64.1170(d), Complainant is entitled to absolution for the charges incurred during the first thirty days after the unauthorized change occurred and neither Sprint nor Business Network may pursue any collection against Complainant for those charges.
