INSTRUCTIONS FOR COMPLETING FCC FORM 601 AND FCC FORM 602

IMPORTANT: Beginning August 1, 2005, the online filing process changed for filing FCC Form 601, Application for Wireless Telecommunications Bureau Radio Service Authorization, including Schedule B for Geographically Licensed Services (the "Long Form"). Instructions for the new filing process are contained in this attachment.

In addition, most of the information provided on the FCC Form 175 (Short Form) will be pre-filled to the FCC Form 601 in the on-line filing process. This feature will remove the need for applicants to provide many of the exhibits currently required when filing a Long Form. The following information will be pre-filled from the FCC Form 175:

- ***Designated Entity Information, including revenue and bidding credit percentage information***
- ***Collusion-Based Agreement Information, including Agreement Name and Parties to Agreements***

Further, when the FCC Form 175 was submitted, a FCC Form 602 was filed in ULS. Thus, it should not be necessary to file a new FCC Form 602; however, applicants should ensure that the current FCC Form 602 is complete and accurate.

I. FCC FORM 601 GENERAL REQUIREMENTS

Applicants are strongly encouraged to use the format below to submit FCC Form 601 and exhibits to FCC Form 601 as required by our rules. Following this format will help expedite processing of FCC Form 601 and minimize follow-up requests for missing information.

Applicants bear full responsibility for submission of timely and complete FCC Form 601 applications. Applicants should read the instructions on the FCC Form 601 carefully and should consult the rules to ensure that, in addition to the materials described below, all the information that is required under the Commission's rules is included with their FCC Form 601 applications. Each applicant is responsible for the continuing accuracy and completeness of information furnished in a pending application. *See* 47 C.F.R. § 1.65. **Incomplete or defective applications may be returned to the applicant.** *See* 47 C.F.R. § 1.934(a), (d); *see also* 47 C.F.R. § 1.933(b).

Applicants must file FCC Form 601 electronically. An applicant that fails to submit the required FCC Form 601 application(s) by **6:00 p.m. ET on August 19, 2005**, and fails to establish good cause for any late-filed submissions, shall be deemed to have defaulted and will be subject to the default payments set forth in Section 1.2104(g) of the Commission's rules. *See* 47 C.F.R. §§ 1.2104(g), 1.2107(c).

Number of Forms to be Filed. Applicants applying for multiple licenses may submit *one* FCC Form 601 (including all required schedules, attachments, and exhibits) if *all* filing requirements associated with the application are identical *except* for the market designator(s) and market name(s).

II. FILING FCC FORM 601 ELECTRONICALLY

1. Access the Commission's Universal Licensing System (ULS) through the Internet at **<http://wireless.fcc.gov/uls>**. Select the **Online Filing** button from this page.

You may also connect to ULS Online Filing by establishing a direct dial-up connection. To establish a direct dial up connection, configure your dial-up network to dial **800-844-2784**. Then point your Web browser to <http://wireless.fcc.gov/uls> and select the **ULS Online Filing** button.

Note: Connecting to the FCC Network requires *at a minimum* the following hardware: Pentium 133 CPU; 32 MB RAM; VGA monitor; 28.8 Kbps, Hayes-compatible modem; and a mouse or other pointing device. For both Internet and direct dial-up connections, you may use the following browser software to register and file FCC Form 601 through ULS: Internet Explorer (v.5.5 or later) and Netscape Communicator (v. 4.7x). You can download Netscape Communicator free of charge from the Netscape download site at <http://browser.netscape.com/ns8/download/archive47x.jsp/>. Download Internet Explorer at <http://www.microsoft.com/windows/ie/downloads/default.asp>.

2. On the ULS License Manager Login page, enter the applicant's FCC Registration Number (FRN) and password. Click **Submit**. ULS will verify you have a valid FRN or otherwise prompt you to obtain an FRN.

Note: You must login to ULS with the FRN used to identify the applicant on FCC Form 175.

For additional information on the FRN, see All Universal Licensing System and Antenna Structure Registration Applicants Must Use Their FCC Registration Number(s), Effective December 3, 2001, *Public Notice*, 16 FCC Rcd 18793 (2001), available at <http://wireless.fcc.gov/uls/releases/da012452.txt>. You may access your application to make changes until the August 19, 2005 filing deadline:

- If you quit your application at any time prior to submitting it, it will be saved in ULS. To continue working on a saved application, login to ULS License Manager. Choose the My Applications link from the menu on the left side of the page and click on the Saved link. Click the link next to your saved application. On the next page, “Application At A Glance,” choose the **Continue** button under the Work on This Application menu. Saved applications for an auctionable service must be completed within the 10-day filing window.

left side of the page. Then click Pending applications. Click on the file number of your application, and choose the Update link from the Work on This Application menu on the right side of the page.

Important: Changes made on an application after it has been submitted to the Commission in ULS constitute an amendment(s) to the application.

Commission rules contain limitations on filing of major amendments after the August 19, 2005, deadline that may affect the applicant's legal rights.¹ Acceptance of an amendment by ULS does not indicate that the amendment is allowed under the Commission's rules. Applicants are advised to consult Commission's rules in this regard prior to filing an amendment. Once the Commission has granted a request for a license, you may request a modification.

Basic Guidelines for Filing FCC Form 601 Online:

- Some of the data entry fields on the online application form may be prefilled with information from the FCC Form 175 process for auctionable applications.

Provide exhibit attachments in ULS as applicable. Any exhibits to be attached to an application as a result of our rule requirements should be identified as follows:

Title

Exhibit A: Ownership

Exhibit B: Foreign Ownership

Exhibit C: Designated Entities

Exhibit D: Agreements & Other Instruments

Exhibit E: Confidentiality Requests

Exhibit F: Waiver Requests

Exhibit G: Miscellaneous Information

As specified in the instructions to the FCC Form 601, each page of each exhibit must be identified with the number or letter of the exhibit, the number of the page of the exhibit, and the total number of pages of the exhibit.

EXHIBIT A: OWNERSHIP INFORMATION

Section 1.2112 of the Commission's rules requires that each applicant for a license shall disclose fully the real party- or parties-in-interest. *See* 47 C.F.R. § 1.2112. This requirement may be fulfilled by providing an attachment referencing the file number, date, and name of filer of the appropriate FCC Form 602 application. For information regarding the filing of the FCC Form 602, see Section V of this attachment. To provide this information, applicants should upload the file, select Attachment Type "Ownership," and enter "**Exhibit A: Ownership**" in the File Description field on the Attachments page.

Although ownership information can be provided by referencing the FCC Form 602, applicants should confirm that their FCC Form 602 accurately reflects all information discussed below and as required under Section 1.2112 of the Commission's rules.

Direct Ownership: Applicant must provide information regarding its direct ownership as follows:

- *General Rule:* The applicant must provide the name, address, and citizenship of any party holding 10 percent or more of stock in the applicant, whether voting or nonvoting, common or preferred, including the specific amount of the interest or percentage held. *See* 47 C.F.R. § 1.2112(a)(2).
- If the applicant is a general partnership, provide the name, address, and citizenship of each partner, and the share or interest participation in the partnership. *See* 47 C.F.R. § 1.2112(a)(4).
- If the applicant is a limited partnership, provide the name, address, and citizenship of each limited partner whose interest in the applicant is 10 percent or greater (as calculated according to the percentage of equity paid in or the percentage of distribution of profits and losses). *See* 47 C.F.R. § 1.2112(a)(3).

- If the applicant is a limited liability company, provide the name, address, and citizenship of each of its members whose interest in the applicant is 10 percent or greater. *See* 47 C.F.R. § 1.2112(a)(5).

Indirect Ownership: Applicants must identify all parties holding a 10 percent or greater indirect ownership interest in the applicant, as determined by successive multiplication of the ownership percentages for each link in the vertical ownership chain. If the ownership percentage for an interest in any link in the chain exceeds fifty percent or represents actual control, it shall be treated and reported as if it were a one hundred percent interest. *See* 47 C.F.R. § 1.2112(a)(6).

Other Disclosable Interests and Entities: Applicants must list any Commission-licensed entity or applicant for a Commission license in which the applicant or any of the parties identified in sections 1.2112(a)(1)-(5) of the Commission’s rules owns 10 percent or more ownership interest, whether voting or nonvoting, common or preferred. This list must include a description of each such entity’s principal business and a description of each entity’s relationship to the applicant. *See* 47 C.F.R. § 1.2112(a)(7).

EXHIBIT B: FOREIGN OWNERSHIP

If the applicant has responded “Yes” to Question 48a) and “No” to Question 48b) on the FCC Form 601, it must attach to the application a date-stamped copy of a request for a foreign ownership ruling pursuant to Section 310(b)(4) of the Communications Act. To provide this information, the applicant should select Attachment Type “Ownership” and enter “**Exhibit B: Foreign Ownership**” in the Description field on the Attachments page. For every direct or indirect foreign owner, applicant should provide the following information:

Item (1) Percentage of Interest: Identify each foreign owner’s percentage of ownership in the applicant.

Item (2) Country of Origin and Address: List each foreign owner’s country of origin and principal place of business.

Item (3) Public Interest Statement: Demonstrate how allowing the applicant to hold the requested license is consistent with the Commission’s policies pursuant to Section 310(b)(4) of the Communications Act of 1934, as amended. In the *Foreign Participation Order*,² the Commission stated that there is a presumption that indirect foreign ownership of common carrier radio licenses by entities whose home markets are World Trade Organization (WTO) Members is in the public interest. If more than twenty-five percent of the ownership of an entity that controls a common carrier radio license is attributable to parties whose home markets are non-WTO member countries, the Commission will evaluate whether those markets offer effective competitive opportunities to U.S. investors.³

Item (4) Petitions for Declaratory Ruling: As explained in the Commission’s *Foreign Participation Order*, licensees must seek the Commission’s prior approval before accepting indirect foreign ownership that causes them to exceed Section 310(b)(4)’s twenty-five percent benchmark.⁴ In keeping with this pre-

approval process, auction applicants are required to certify in their FCC Form 175 applications either that they are in compliance with the foreign ownership requirements of Section 310 or that they have filed a request for relief from those requirements that is pending with the Commission.⁵ Similarly, where foreign ownership is at issue, applicants must indicate in their FCC Form 601 applications that they either have received a declaratory ruling that grants them permission to exceed the statutory benchmark of Section 310(b)(4) or that they have a request currently pending at the Commission. Applicants are advised that petitions for declaratory ruling to exceed the Section 310(b)(4) benchmark must be granted before any license for which the applicant is a high bidder may be granted.

Petitions for a declaratory ruling to exceed the Section 310(b)(4) twenty-five-percent statutory benchmark should be addressed to the Secretary, with a copy to the Telecommunications Division of the International Bureau, and must be filed in paper form. There is no fee associated with such a filing. Applicants should be aware that, under the relevant precedent, including the Commission's *Foreign Participation Order*, streamlined processing is possible for petitions involving investment from WTO Members that do not raise any other potentially complex foreign ownership issues. The Commission may conclude that a particular petition of this type is not eligible for streamlined processing. If more than twenty-five percent of the ownership of an entity that controls a common carrier radio license is attributable to parties whose home markets are non-WTO Members, such petitions are not eligible for streamlined processing, and these petitioners should contact the Telecommunications Division of the International Bureau to discuss processing of their petitions. Inquiries regarding compliance with Section 310 of the Communications Act and the filing and processing of petitions for declaratory ruling should be directed to Claudia Fox, Chief of the Policy and Facilities Branch, Telecommunications Division, International Bureau, at (202) 418-1527.

Consortia of Small Businesses, Very Small Businesses, and Entrepreneurs: A consortium of small businesses is a conglomerate organization formed as a joint venture between or among mutually independent business firms, each of which individually satisfies the definition of a small business; *i.e.*, each consortium member is an entity that, together with its affiliates and controlling interests, has average gross revenues not exceeding **\$40 million** for the preceding three years. *See* 47 C.F.R. § 1.2110(b)(3)(i). For Small Businesses, Very Small Businesses, Entrepreneurs: For purposes of determining whether an applicant is a small business, a very small business, or an entrepreneur, the gross revenues of the applicant, its affiliates, its controlling interests, and affiliates of its controlling interests shall be considered on a cumulative basis and aggregated. *See* 47 C.F.R. §§ 1.2110(b)(1), 1.2112(b)(2). In accordance with Section 1.2110(n) of the Commission's rules, 47 C.F.R. § 1.2110(n), provide the gross revenues for the most recently completed three calendar or fiscal years preceding the filing of the applicant's FCC Form 175, separately for the applicant, each of its affiliates, each of its controlling interests, and each of the affiliates of its controlling interests. *See* 47 C.F.R. § 1.2112(b)(2)(v); *see also* 47 C.F.R. § 1.2110(b)(1)(i). If the applicant does not use audited financial statements, its gross revenues must be certified by its chief financial officer or the equivalent and must be prepared in accordance with Generally Accepted Accounting Principles. If an entity was not in existence for all or part of the preceding three years, gross revenues shall be evidenced by the audited financial statements of the entity's predecessor-in-interest or, if there is no identifiable predecessor-in-interest, unaudited financial statements certified by the applicant as accurate. *See* 47 C.F.R. § 1.2110(n).

Calculate the average gross revenues separately for the applicant, each affiliate, each of its controlling interests, and each affiliate of the applicant's controlling interests for those three years. Provide the aggregate average gross revenues for the applicant, its affiliates, its controlling interests, and affiliates of its controlling interest for those three years. *See* 47 C.F.R. §§ 1.2110(b)(1)(i), 1.2112(b)(2)(v).

For a Consortium of Small Businesses, Very Small Businesses, and Entrepreneurs: Applicants that applied as a consortium of small businesses, very small businesses, or entrepreneurs as defined in Section 1.2110(b)(3)(i) of the Commission's rules, 47 C.F.R. § 1.2110(b)(3)(i), must compute and indicate gross

revenues as outlined above for *each* small business, very small business, or entrepreneur in the consortium. That is, each business entity comprising the small business, very small business, or entrepreneur consortium must qualify and show gross revenues separately. The average gross revenues of the individual small businesses, very small businesses, or entrepreneurs in the consortium shall not be aggregated. *See* 47 C.F.R. § 1.2110(b)(3)(i).

Controlling Interests and Affiliates:

All controlling interests and affiliates, as defined by the Commission's Rules, must be included in the gross revenue calculations discussed above. *See* 47 C.F.R. § 1.2110(c)(2), (c)(5). Please note the following:

- An entity that manages the operations of an applicant pursuant to a management agreement may be considered to have a controlling interest in the applicant. *See* 47 C.F.R. § 1.2110(c)(2)(ii)(H).
- A licensee or its affiliate that enters into a joint marketing arrangement with an applicant or its affiliate may be considered to have a controlling interest in the applicant. *See* 47 C.F.R. § 1.2110(c)(2)(ii)(I).

Minority-Owned and Women-Owned Business and Rural Telephone Companies:

We are interested in the status of applicants as minority-owned and women-owned businesses and rural telephone companies for statistical purposes, even if the applicant is ineligible for bidding credits. *See* 47 C.F.R. § 1.2110(c)(3), (4).

Note: This information is collected in ULS and does not need to be included in an attachment.

EXHIBIT D: AGREEMENTS & OTHER INSTRUMENTS

Collusion-Based Agreements: Applicants must provide a detailed explanation of the terms and conditions and parties involved in any bidding consortia, joint ventures, partnerships or other agreements or arrangements entered into relating to the competitive bidding process prior to the time the bidding was completed. *See* 47 C.F.R. § 1.2107(d). Note: A list of the agreements disclosed on the FCC Form 175 will be pre-filled on the Form 601, but should be updated if necessary.

Designated Entity-Based Agreements: Applicants claiming designated entity status must list and summarize all agreements or instruments (with appropriate references to specific provisions in the text of such agreements and instruments) that support the applicant's eligibility as a small, very small business, entrepreneur, or a consortium of small businesses, very small businesses, or entrepreneurs, including the establishment of *de facto* and *de jure* control. *See* 47 C.F.R. § 1.2112(b)(2)(iii). Such agreements and instruments include, but are not limited to, articles of incorporation and bylaws, shareholder agreements, voting or other trust agreements, partnership agreements, management agreements, joint marketing agreements, franchise agreements, and any other relevant agreements (including letters of intent), oral or written. *See* 47 C.F.R. § 1.2112(b)(2)(iii). These applicants also must list and summarize any investor protection agreements, including rights of first refusal, supermajority clauses, options, veto rights, and rights to hire and fire employees and to appoint members to boards of directors or management committees. *See* 47 C.F.R. § 1.2112(b)(2)(iv). Note: Applicants need to list these agreements, along with the applicable parties to each of these agreements, in the FCC Form 601. The list of these

agreements will appear on the FCC Form 601, along with the collusion-based agreements pre-filled from the FCC Form 175.

To comply with these requirements, all agreements must be listed on the FCC Form 601 and applicants must provide a summary of these agreements. Applicants, however, may submit the agreements themselves, instead of providing a detailed summary of the agreements. Applicants should upload the information in a file, select Attachment Type “Other” and enter “**Exhibit D: Agreements & Other Instruments**” in the File Description field on the Attachments page. Applicants choosing to submit the agreements may elect to seek confidentiality for those documents pursuant to section 0.459 of the Commission’s rules. *See* 47 C.F.R. § 0.459; *see also* discussion of confidentiality requests under “Confidentiality Requests” below.

EXHIBIT E: CONFIDENTIALITY REQUESTS

Applicants should be aware that all information required by the Commission’s rules is necessary to determine the applicants’ qualifications to be a Commission licensee and, as such, will be available for public inspection. Required proprietary information may be redacted, and confidentiality may be sought pursuant to section 0.459 of the Commission’s rules. *See* 47 C.F.R. § 0.459. Applicants requesting confidential treatment for any information required as a condition to participate in the auction must follow the procedures set out in section 0.459 of the Commission’s rules. (Applicants submitting confidentiality requests should be aware that section 0.459 was amended to set out more clearly what should be contained in a request that information not be made routinely available for public inspection. *See* Examination of Current Policy Concerning the Treatment of Confidential Information Submitted to the Commission, GC Docket No. 96-55, *Report and Order*, 13 FCC Rcd 24816 (1998)). Because the required information bears on an applicant’s qualifications, the Commission envisions that confidentiality requests will not be granted routinely.

If an applicant has sought confidential treatment of any information, it must attach a statement explaining the request and referencing the particular information for which confidential treatment has been requested. To provide this information, applicants should upload this statement as a file, select Attachment Type “Confidentiality” and enter “**Exhibit E: Confidentiality Requests**” in the File Description field on the Attachments page.

Note: Applicants must select Attachment Type “Confidentiality” for the particular exhibit for which they are requesting confidential treatment. Otherwise, the attachment will be available for public inspection.

EXHIBIT F: WAIVER REQUESTS

In the event an applicant wishes to file a request for waiver of a Commission rule, *see* 47 C.F.R. § 1.925, the request should be filed with the corresponding application. Applicants should upload this waiver request as a file, select Attachment Type “Waiver” and enter “**Exhibit F: Waiver Requests**” in the File Description field on the Attachments page.

Waiver requests filed after the submission of the FCC Form 601 may result in a delay of the processing of the application. If a request for waiver is filed separately from the FCC Form 601, such request must refer to the corresponding application, including its file number.

EXHIBIT G: MISCELLANEOUS INFORMATION

In the event that a winning bidder wishes to provide any additional information that does not fall within any of the other exhibits, these documents or files should be submitted by selecting Attachment Type “Other” and entering “**Exhibit G: Miscellaneous Information**” in the File Description field on the Attachments page.

IV. FCC FORM 602

A current FCC Form 602 must be on file with the Commission by the August 19, 2005 deadline for filing the FCC Form 601. *See* 47 C.F.R. §§ 1.919, 1.2107(f). When the applicant submitted the FCC Form 175, a current FCC Form 602 was filed in ULS. Thus, applicants already have an FCC Form 602 on file as a result of their submitted FCC Form 175 and, therefore it is not necessary to electronically file another FCC Form 602. However, applicants should review their FCC Form 602 to confirm that it is complete and accurate. *See* 47 C.F.R. §§ 1.919, 1.2112. Applicants are reminded that any updates to FCC Form 602 must be filed electronically.⁶
