NOTICE OF PROPOSED RULE MAKING

Adopted: November 9, 2005

Released: November 10, 2005

Comment Date: January 3, 2006

Reply Date: January 17, 2006

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it for consideration a Petition for Rule Making filed by Charles Crawford (“Crawford”), proposing the allotment of FM Channel 247A at Garwood, Texas, as that community’s first local aural broadcast transmission service.¹ If his petition is granted, Crawford states that he will file an application for Channel 247A at Garwood, and will construct the facilities if his application is granted.

2. Crawford states that Garwood is a Census-designated place with its own zip code and a population of 975 persons. Garwood has its own elementary school, volunteer fire department, post office, library, and annual festivals which attract attendees from the surrounding area.

3. The proposed allotment would serve the public interest by providing a first local service to Garwood.² The allotment could be made with the site restrictions and at the reference coordinates indicated below. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth below:

¹ In his petition, Crawford also requested the reclassification of Station KAJA(FM), Channel 247C, San Antonio, Texas, to Class C0. We issued an order requiring CCB Texas Licenses, L.P. (“CCB Texas”) to show cause why its authorization should not be modified to specify operation on Channel 247C0 in lieu of Channel 247C. *See Reclassification of License of Station KAJA(FM), San Antonio, Texas*, 20 FCC Rcd 7578 (MB 2005). CCB Texas did not submit a response. For that reason, Station KAJA(FM)’s license is modified to specify operation on Channel 247C0, San Antonio, Texas. *See Various Locations*, DA 05-2940 (released November 10, 2005).

² Any action in this proceeding is subject to the final outcome of MM Docket No. 00-148, which dismissed by a *Report and Order* proposals that conflict with the instant proposal for Garwood. The dismissal of those proposals is currently under review. *See Quanah, Texas, et al.*, 18 FCC Rcd 9495 (MB 2003), application for review pending. *See also Auburn, Alabama, et al.*, 18 FCC Rcd 10,333 (MB 2003).

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁴ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.⁵

8. For further information concerning this proceeding, contact Deborah A. Dupont, Media Bureau, at (202) 418-7072. For purposes of restricted notice and comment rule making proceedings, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in the particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the Petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.
