ORDER

Adopted: November 16, 2005

Released: November 17, 2005

By the Chief, Consumer & Governmental Affairs Bureau:

1. On July 21, 2005, the Commission released a *Notice of Proposed Rulemaking*<sup>1</sup> in the above-captioned proceeding. The current deadline for filing reply comments is November 25, 2005.

2. On November 15, 2005, the Commission received a *Request for Extension of Time* in this proceeding filed by the National Association of Broadcasters (NAB).<sup>2</sup> NAB requests that the Commission extend the deadline for filing reply comments until December 16, 2005. NAB contends that the *NPRM* produced a significant record from hundreds of commenters, and that reviewing all of the filings for purposes of preparing a meaningful response is extremely time-consuming.<sup>3</sup> NAB notes that it is in the process of collecting and analyzing the information provided in the comments, and that the substantive reply comments will require a reasonable amount of additional time.<sup>4</sup> Lastly, NAB notes that the reply comments are currently due the day after the Thanksgiving holiday.<sup>5</sup> NAB asserts that a brief extension of the Reply Comment deadline will enable the Commission to gather and consider a more complete factual record of the relevant legal issues, and as such, will serve the public interest.<sup>6</sup>

3. The Commission does not routinely grant extensions of time.<sup>7</sup> Upon review, however, we agree that an extension will afford parties the necessary time to coordinate and file reply comments
