## WIRELESS TELECOMMUNICATIONS BUREAU ACTION

### REGION 42 (VIRGINIA) 800 MHz NPSPAC REGIONAL PLANNING COMMITTEE TO HOLD REGIONAL PLANNING MEETING (GEN. DOCKET NO. 91-300)

The Region 42 (Virginia) 800 MHz Public Safety Regional Planning Committee will hold its next planning meeting on Thursday, December 1, 2005 at 1:30 p.m. at the Charlottesville Emergency Communications Center, 2306 Ivy Road, Charlottesville, Virginia. The purpose of the meeting will be to discuss pending Region 42, 800 MHz license application matters previously submitted and currently under committee review. New applications will not be accepted.

The Region 42 Public Safety Planning Committee meeting is open to the public. All eligible public safety providers in Region 42 whose sole or principal purpose is to protect the safety of life, health, or property may utilize these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that your agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs. Anyone interested in public safety communications is welcome to attend this meeting. For further information, please contact:
