CONSUMER & GOVERNMENTAL AFFAIRS BUREAU SEEKS COMMENT ON TSA STORES, INC. PETITION FOR DECLARATORY RULING ON PREEMPTION OF FLORIDA TELEMARKETING RULES

CG Docket No. 02-278

Comments Due: 30 Days After Publication in the Federal Register
Reply Comments Due: 45 Days After Publication in the Federal Register

On February 1, 2005, TSA Stores, Inc. (“TSA” or “Petitioner”) filed a petition for declaratory ruling asking the Federal Communications Commission (“Commission”) to preempt a provision of the Florida Statutes as applied to interstate telephone calls.¹ Specifically, TSA requests that the Commission preempt section 501.059 of the Florida Statutes as applied to interstate telephone calls made to residential lines using a prerecorded voice, where the call is made to a person with whom the caller has an established business relationship.² TSA indicates that section 501.059 of the Florida Statutes makes it unlawful for a telephone solicitor to make a telephone sales call to a Florida resident if such call involves an automated system for the selection or dialing of telephone numbers or the playing of a recorded message when a connection is completed to a called number.³ TSA asserts that section 501.059, to the extent that it restricts or prohibits the use of prerecorded messages to persons with whom the caller has an established business relationship, is inconsistent with the Commission’s rules, when applied to interstate calls.⁴ TSA indicates that this provision conflicts with section 64.1200(a)(2) of the Commission’s rules, 47 C.F.R. § 64.1200(a)(2), which, according to TSA, permits the use of an artificial or prerecorded voice to deliver a message without the express prior consent of the called party if the call is made to a person with whom the caller has an established business

relationship.⁵ Accordingly, TSA requests that the Commission issue a declaration preempting section 501.059(7)(a) of the Florida Statutes.⁶
