**ORDER TO SHOW CAUSE**

**Adopted: February 16, 2005**

**Released: February 18, 2005**

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a petition for rule making filed by Blessed Assurance Broadcasting Association (“Petitioner”) seeking to amend the FM Table of Allotments by allotting Channel 235A at Crab Orchard, Kentucky, as the community’s first local service.<sup>1</sup> To accommodate the allotment, Petitioner requests that Station WAEZ(FM) at Greenville, Tennessee, be reclassified as a Class C0 facility because it is operating below minimum Class C facilities.<sup>2</sup> Petitioner has also certified, as required, that no alternative channel is available for the proposed service.<sup>3</sup>

2. Station WAEZ(FM), licensed to Bristol Broadcasting Company, Inc. (“Bristol Broadcasting”), currently operates on Channel 235C with an effective radiated power (“ERP”) of 100 kilowatts (“kW”) at 332 meters height above average terrain (HAAT), which is below the minimum Class C antenna height of at least 451 meters HAAT with 100 kW ERP. If Station WAEZ(FM) is reclassified as a Class C0 facility, any short-spacing between Station WAEZ(FM) and the proposed use of Channel 235A at the proposed site would be eliminated. For the reasons discussed below, we are issuing this *Order to Show Cause* directed to the licensee of Station WAEZ(FM), Greenville, Tennessee, to show cause why its facilities should not be reclassified.

3. Pursuant to the reclassification procedures set forth in the *Second Report and Order*, *supra*, and note 2 of Section 1.420 (g) of the Commission’s rules, a petitioner may initiate the reclassification of a Class C FM station to a Class C0 station through the filing of an original petition for amendment of the FM Table of Allotments. In those instances in which a triggering petition proposes an amendment or amendments to the FM Table of Allotments in addition to the proposed reclassification, the Commission will issue an *Order to Show Cause* as set forth in Note 4 to Section 73.3573, and a Notice of Proposed Rule Making will be issued only after the reclassification issue is resolved. In order to comply with the foregoing reclassification procedures, it is first necessary to issue this *Order to Show Cause* directed to Bristol Broadcasting to show cause why Station WAEZ(FM)’s license should not be

<sup>1</sup> The proposed coordinates for Channel 235A at Crab Orchard are 37-26-55 North Latitude and 84-23-28 West Longitude with a site restriction of 10.4 kilometers (6.5 miles) east of the community. The Crab Orchard proposal would have been considered in conjunction with a petition to allot Channel 244A at Annville, Kentucky, filed by Vernon R. Baldwin, Inc., *et al.* However, that petition was dismissed as defective. *See Letter to Dennis F. Begley, Esq.*, (MB Aug. 8, 2003) *pet. for recon. pending*.

<sup>3</sup> *See* 47 C.F.R. §§ 73.3573, n.4 and 1.420(g), n.2. *See also Second Report and Order*, 15 FCC Rcd at 21,662, ¶ 26.

modified to specify operation on Channel 235C0 in lieu of Channel 235C at Greenville. Section 316(a) of the Communications Act of 1934, as amended,<sup>4</sup> permits us to modify a license or construction permit if such action is in the public interest. Section 316(a) requires that we notify the affected stations of the proposed action, the public interest reasons for the action, and afford at least 30 days to respond. This procedure is now set forth in Section 1.87 of the Commission's rules.<sup>5</sup> In this instance, the reclassification of Station WAEZ(FM) as a Class C0 station at Greenville, Tennessee, will accommodate the allotment of Channel 235A at Crab Orchard, Kentucky, as proposed by Petitioner. We consider the provision of a first local service at Crab Orchard, Kentucky, to have sufficient public interest benefits to justify the issuance of a show cause order.

4. The license of Station WAEZ(FM) at Greenville, Tennessee, can be modified to allow the reclassification of Channel 235C to Channel 235C0 at its currently authorized transmitter site.<sup>6</sup>

5. Accordingly, IT IS ORDERED, That pursuant to Section 316(a) of the Communications Act of 1934, as amended, Bristol Broadcasting Company, Inc., licensee of Station WAEZ(FM), Greenville, Tennessee, SHALL SHOW CAUSE why its license should not be modified to specify operation as a Class C0 station on Channel 235C0, Greenville, Tennessee.

6. Pursuant to Section 1.87 of the Commission's rules, Bristol Broadcasting may, no later than, April 4, 2005, file a written statement showing with particularity why its license should not be modified as proposed in this *Order to Show Cause*. The Commission may call upon the licensee to furnish additional information. If the licensee raises a substantial and material question of fact, a hearing may be required to resolve such questions of fact pursuant to Section 1.87. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, the licensee will be deemed to have consented to a modification as proposed in this Order to Show Cause and a final Order will be issued if the modification is found to be in the public interest. If Bristol Broadcasting chooses to seek authority to modify Station WAEZ(FM)'s facilities, an acceptable application for a construction permit to increase the antenna height of at least 451 meters HAAT and 100 kW ERP or the equivalent must be on file with the Commission within 180 days subsequent to the show cause response due date, April 4, 2005.

7. IT IS FURTHER ORDERED, That a copy of this Order to Show Cause shall be sent BY CERTIFIED MAIL, RETURN RECEIPT REQUESTED, to the following:
