ORDER

Adopted: February 16, 2005

Released: February 16, 2005

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration Requests for Waiver filed by Atlanta Public Schools, Atlanta, Georgia; Kings Local School District, Kings Mills, Ohio; Ross Hill Academy, Detroit, Michigan; St. Agatha School, Brooklyn, New York; St. Philip School, Pittsburgh, Pennsylvania; and Youth Co-Op Charter School, Hialeah, Florida (collectively, Petitioners).¹ The Requests for Waiver seek waiver of the FCC Form 471 filing window deadline for the schools and libraries universal service program. Consistent with precedent, we deny the Requests for Waiver.

¹ Letter from Robert Beman, Atlanta Public Schools, to Federal Communications Commission, filed May 7, 2003; Letter from Tina Blair, Kings Local School District, to Federal Communications Commission, filed March 31, 2003; Letter from Elaine Richardson, Ross Hill Academy, to Federal Communications Commission, filed July 9, 2003; Letter from Francesca Porters, St. Agatha School, to Federal Communications Commission, filed June 10, 2003; Letter from Cathy Huth, St. Philip School, to Federal Communications Commission, filed April 30, 2003; and Letter from Mr. Hernandez, Youth Co-Op Charter School, to Federal Communications Commission, filed April 10, 2003 (collectively, Requests for Waiver).

2. In the Requests for Waiver, each Petitioner concedes it filed the FCC Form 471 application after the close of the filing window, and each requests a waiver of the filing window deadline.² Waiver is appropriate only if special circumstances warrant from the general rules, and such deviation would better serve the public interest than strict adherence to the rule.³

3. We find that the above-captioned Petitioners have not demonstrated special circumstances to warrant waiver. The Commission has strictly and consistently enforced filing deadlines, allowing waivers of deadlines only in very limited and compelling situations.⁴ In light of the large number of applications that the Schools and Libraries Division (SLD) of USAC reviews and processes each year, it is administratively necessary to place on the applicant the responsibility of complying with all relevant rules and procedures, including filing deadlines.⁵ Hence, employee illness, staff failure to perform a job properly, inclement weather, or misunderstanding of the rules does not relieve applicants of their responsibility to comply with the Commission's rules and procedures.⁶ Further, the assertion that denial of an application may have a detrimental impact on an applicant does not create special circumstances or suggest particular facts that warrant a waiver of the Commission's rules.⁷ In keeping with our prior decisions, we determine that the Petitioners here have not demonstrated the special circumstances necessary for a waiver of our rules.

² *Id.* The deadline for Funding Year 2003 applications was February 6, 2003. See Universal Service Administrative Company (USAC) website, What's New, December 2, 2002, <<http://www.sl.universalservice.org/whatsnew/2002/122002.asp>>.
