(Lake Charles, Louisiana and Sour Lake, Texas)

NOTICE OF PROPOSED RULE MAKING

Adopted: March 9, 2005

Released: March 14, 2005

Comment Date: May 5, 2005

Reply Comment Date: May 20, 2005

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Cumulus Licensing LLC ("Petitioner"), licensee of FM Station KYKZ, Channel 241C1, Lake Charles, Louisiana. Petitioner proposes the reallocation of Channel 241C1 from Lake Charles, Louisiana, to Sour Lake, Texas, and modification of its Station KYKZ license to specify Sour Lake, Texas, as the community of license. This reallocation will provide the first local aural transmission service to Sour Lake, Texas. If the petition before us is granted, Petitioner will file an application to effectuate its proposal.

2. Petitioner invokes the provisions of Section 1.420(i) of the Commission's rules which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest. The proposed use of Channel 241C1 at Sour Lake, Texas, is mutually exclusive with Station KYKZ's existing authorization at Lake Charles, Louisiana.

3. Petitioner asserts that the allotment of Channel 241C1 to Sour Lake would not deprive Lake Charles, Louisiana, of its sole local transmission outlet, because Lake Charles would continue to be served by seven local radio stations. Petitioner notes that the Commission's FM allotment priorities set forth in Revision of FM Assignment Policies and Procedures would be served because Petitioner would provide a first local service at Sour Lake, Texas (2000 U.S. Census of 1,667 persons). Because Petitioner's proposal is consistent with the provisions of Section 1.420(i) of the Commission's rules, we shall propose to modify the authorization of FM Station KYKZ without entertaining competing expressions of interest in the use of Channel 241C1 at Sour Lake, Texas, or requiring Petitioner to demonstrate the availability of an additional equivalent channel for use by other parties.

1 See Modification of FM and TV Authorizations to Specify a New Community of License, 4 FCC Rcd 4870 (1989), recon. granted in part, 5 FCC Rcd 7094 (1990).

2 90 FCC 2d 88 (1982). The allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters. Equal weight is given to priorities (2) and (3).

4. Consistent with the technical requirements of the Commission's rules, Channel 241C1 can be allotted to Sour Lake, Texas, utilizing coordinates of 30-04-42 NL and 93-54-35 WL, with a site restriction of 48.8 kilometers (30.3 miles) east of Sour Lake.

5. Sour Lake is not located in an Urbanized Area. The proposed 70 dBu contour of Station KYKZ at Sour Lake will cover 100 percent of the Port Arthur and Beaumont Urbanized Areas. Petitioner claims that since Station KYKZ is currently located within the Lake Charles, Louisiana Urbanized area, the relocation to Sour Lake does not implicate the Commission's policy regarding the migration of stations into urban areas.³ Nevertheless, Petitioner has submitted a *Tuck* showing to demonstrate that Petitioner deserves credit for providing a first local service to Sour Lake, because Sour Lake is a community independent of the Port Arthur and Beaumont Urbanized Areas. We find that the *Tuck* showing is necessary.⁴ The public is invited to comment on the showing.

6. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the communities listed below, as follows:

<u>City</u>	<u>Channel Nos.</u>	
	<u>Present</u>	<u>Proposed</u>
Lake Charles, Louisiana	241C1, 258C0, 277C2	258C0, 277C2
Sour Lake, Texas	-----	241C1

10. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁵ This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified "information collection burden for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4).

Any reply comment that has not been served on the person(s) who filed the comment to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
