## **NEW INTEGRATED SPECTRUM AUCTION SYSTEM ORIENTATION SESSIONS REMINDER**

The Federal Communications Commission will hold two orientation sessions for the new Integrated Spectrum Auction System (“ISAS”). This new system combines the FCC Form 175 auction application, bidding functions, and administration processes into a single system. The sessions will be held at FCC Headquarters, 445 12<sup>th</sup> Street, SW, Washington, DC. Those unable to attend may view the sessions via webcast at <http://www.fcc.gov/realaudio/>. Pre-registration is requested.

Session dates and times are:

March 31, 2005	9:30 AM – 10:00 AM	Registration
March 31, 2005	10:00 AM – 12:00 PM	Session on FCC Form 175 Filing
March 31, 2005	1:30 PM – 3:30 PM	Session on Auction Bidding
April 21, 2005	9:30 AM – 10:00 AM	Registration
April 21, 2005	10:00 AM – 12:00 PM	Session on FCC Form 175 Filing
April 21, 2005	1:30 PM – 3:30 PM	Session on Auction Bidding

The morning session will provide a step-by-step demonstration of how to complete the fully automated FCC Form 175, while the afternoon session will focus on the functionality of the new bidding system. An opportunity for hands-on access to the software will be provided at the conclusion of each session. FCC staff will be available to assist with using the new system and to answer questions. These sessions are being held in advance of the first auction using ISAS, Auction No. 60 – Lower 700 MHz Band, which is scheduled to begin July 20, 2005.

To register for these sessions call the FCC at (888) 225-5322, select option two, and ask to speak with an Auctions representative; or send an e-mail with your name, address, phone number, and a subject line of “ISAS Orientation Sessions” to [auchelp@fcc.gov](mailto:auchelp@fcc.gov). For further information, please contact the Auctions and Spectrum Access Division at (202) 418-0660.
