ORDER

Adopted: May 25, 2006

Released: May 30, 2006

By the Deputy Chief, Consumer Policy Division, Consumer & Governmental Affairs Bureau:

1. In this Order, we consider the complaints¹ alleging that Telecom Management, Inc. d/b/a Pioneer Telephone (Pioneer) changed Complainants' telecommunications service providers without obtaining authorization and verification from Complainants in violation of the Commission's rules.² We conclude that Pioneer's actions did not violate our carrier change rules and we deny Complainants' complaints.

2. In December 1998, the Commission released the *Section 258 Order* in which it adopted rules to implement Section 258 of the Communications Act of 1934 (Act), as amended by the Telecommunications Act of 1996 (1996 Act).³ Section 258 prohibits the practice of

Prior to the adoption of Section 258, the Commission had taken various steps to address the slamming problem. See, e.g., *Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers*, CC Docket No. 94-129, Report and Order, 10 FCC Rcd 9560 (1995), *stayed in part*, 11 FCC Rcd 856 (1995); *Policies and Rules Concerning Changing Long Distance Carriers*, CC Docket No. 91-64, 7 FCC Rcd 1038 (1992), *reconsideration denied*, 8 FCC Rcd 3215 (1993); Investigation of (continued....)

“slamming,” the submission or execution of an unauthorized change in a subscriber’s selection of a provider of telephone exchange service or telephone toll service.⁴ In the *Section 258 Order*, the Commission adopted aggressive new rules designed to take the profit out of slamming, broadened the scope of the slamming rules to encompass all carriers, and modified its existing requirements for the authorization and verification of preferred carrier changes. The rules require, among other things, that a carrier receive individual subscriber consent before a carrier change may occur.⁵ Pursuant to Section 258, carriers are absolutely barred from changing a customer's preferred local or long distance carrier without first complying with one of the Commission's verification procedures.⁶ Specifically, a carrier must: (1) obtain the subscriber's written or electronically signed authorization in a format that meets the requirements of Section 64.1130 authorization; (2) obtains confirmation from the subscriber via a toll-free number provided exclusively for the purpose of confirming orders electronically; or (3) utilize an independent third party to verify the subscriber's order.⁷

3. The Commission also has adopted liability rules. These rules require the carrier to absolve the subscriber where the subscriber has not paid his or her bill. In that context, if the subscriber has not already paid charges to the unauthorized carrier, the subscriber is absolved of liability for charges imposed by the unauthorized carrier for service provided during the first 30 days after the unauthorized change.⁸ Where the subscriber has paid charges to the unauthorized carrier, the Commission’s rules require that the unauthorized carrier pay 150% of those charges to the authorized carrier, and the authorized carrier shall refund or credit to the subscriber 50% of all charges paid by the subscriber to the unauthorized carrier.⁹ Carriers should note that our actions in this Order do not preclude the Commission from taking additional action, if warranted, pursuant to Section 503 of the Act.¹⁰

4. We received Complainants' complaints alleging that Complainants' telecommunications service providers¹¹ had been changed without Complainants' authorization.¹² Our rules allow a telecommunications provider to acquire all or part of another carrier's subscriber base without obtaining each subscriber's authorization and verification provided that the acquiring carrier comply with our streamlined procedures.¹³ To comply with these procedures, the acquiring carrier must file with the Commission's Office of the Secretary, no later than 30 days before the planned transfer, a letter notification in CC Docket 00-257 that meets the requirements listed in Section 64.1120 (e)(1) of our rules, including proper customer notice.¹⁴ Pursuant to Sections 1.719 and 64.1150 of our rules,¹⁵ we notified Pioneer of the complaints and Pioneer responded.¹⁶ Pioneer responded that it entered into an asset purchase agreement with Adelphia Telecommunications, Inc. and followed the requirements noted above.¹⁷ We find that Pioneer did not violate our carrier change rules.¹⁸

5. Accordingly, IT IS ORDERED that, pursuant to Section 258 of the Communications Act of 1934, as amended, 47 U.S.C. § 258, and Sections 0.141, 0.361 and 1.719 of the Commission's rules, 47 C.F.R. §§ 0.141, 0.361, 1.719, the complaints filed against Telecom Management, Inc. d/b/a Pioneer Telephone ARE DENIED.
