NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: June 6, 2006

By the Chief, Media Bureau:

I. INTRODUCTION

1. The Commission has before it the captioned application of Charles River Broadcasting WKPE License Corporation (the "Licensee") for renewal of its license for Station WKPE-FM, Orleans, Massachusetts (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules")¹ by the Commission, by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,² we find that the Licensee apparently willfully and repeatedly violated Section 73.3526 of the Rules,³ by failing to retain required documentation in the WKPE-FM public inspection file. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of four thousand dollars (\$4,000), and we grant the captioned WKPE-FM renewal application.

II. BACKGROUND

2. Section 73.3526 of the Rules requires broadcast licensees to maintain a public inspection file containing specific types of information related to station operations. The purpose of this requirement is to provide the public with timely information at regular intervals throughout the license period.⁴

3. Section III, Item 3 of the WKPE-FM license renewal application form, FCC Form 303-S, requests that the Licensee certify that the documentation required by Section 73.3526, has been placed in the Station's public inspection file at the appropriate times. The Licensee indicated "No" to that

certification and attached an Exhibit explaining that:

In mid-2004, responsibility for preparation of the issues-programs lists was assigned to a different staff member in an administrative change. The individual inexplicably failed to complete this assignment and is no longer with the Company. Lists for the third and fourth quarters of 2004, and for 2005, have been reconstructed from backup materials. All issues-programs lists are now in the local public file.

III. DISCUSSION

4. *Proposed Forfeiture.* As the Licensee has acknowledged, at the time of filing of the WKPE-FM license renewal application, the Station's public inspection file did not contain certain items required to be retained in the file by Section 73.3526 of the Rules. In this regard, where lapses occur in maintaining the public file, neither the negligent acts or omissions of station employees or agents, nor the subsequent remedial actions undertaken by the licensee, excuse or nullify a licensee's rule violation.⁵

5. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁶ Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.⁷ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,⁸ and the Commission has so interpreted the term in the Section 503(b) context.⁹ Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."¹⁰

6. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$10,000 for violation of Section 73.3526.¹¹ In determining the appropriate forfeiture amount, we must consider the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."¹²

7. In this case, although the Licensee admitted to the violations, it did so only in the context of the question contained in its license renewal application compelling such disclosure. Moreover, the violations occurred over one and one-half years and involved six missing issues-programs lists.

Considering the record as a whole, we believe that a \$4,000 forfeiture is appropriate for the violations in this case. Accordingly, we find that the Licensee is apparently liable for a forfeiture in the amount of \$4,000 for its apparent willful and repeated violations of Section 73.3526.

8. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by Section 309(k) of the Act.¹³ That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.¹⁴ If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”¹⁵

9. We find that the Licensee's apparent violations of Section 73.3526 of the Rules do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.¹⁶ Further, we find that Station WKPE-FM served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application below.

Nor do we find on the record here that “the number, nature and extent” of the violations indicate that “the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules.” *Heart of the Black Hills Stations*, 32 FCC 2d at 200.
