**MEMORANDUM OPINION AND ORDER
AND
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: June 6, 2006

Released: June 8, 2006

By the Chief, Media Bureau:

I. INTRODUCTION

1. The Commission has before it the captioned application of Best Media, Inc. (the "Licensee") for renewal of its expired license for FM translator Station K217DP, Barker, Texas (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules")¹ by the Commission, by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,² we find that the Licensee apparently willfully and repeatedly violated Section 73.3539 of the Rules by failing to timely file a license renewal application for the Station,³ and Section 301 of the Act⁴ by engaging in unauthorized operation of the Station after its license had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of seven thousand dollars (\$7,000), and we grant the captioned K217DP license renewal application.

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."⁵ An application for renewal of K217DP's license should have been filed by April 1, 2005, four months prior to the station's August 1, 2005 license expiration date,⁶ but was not. The Licensee advises that, upon discovering this problem, it contacted

communications counsel, who arranged for the filing of a license renewal application⁷ and, subsequently, on March 8, 2006, a request for Special Temporary Authorization (“STA”) to continue operations pending consideration of the untimely license renewal application. In the STA request and in the subject license renewal application, the Licensee indicates that it was granted a license for FM translator Station K217DP in February 2003⁸ and did not realize at the time of grant that the license would expire in less than two years, in August 2005; as a result, it did not file the K217DP license renewal application until October 2005, after the Station’s license had expired. The Licensee further indicates that, until it received a Notice of Apparent Liability for another late-filed renewal application, it also did not realize that it needed to seek STA to operate the station, pending staff consideration of the late-filed renewal application. The staff granted the STA request on March 17, 2006.⁹

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee has admitted that it failed to timely file a license renewal application for K217DP, as required by Section 73.3539 of the Rules. Moreover, it does not dispute that it continued station operations for more than two months after its license had expired on August 1, 2005, before filing the appropriate renewal application and for more than seven months before seeking STA to continue such operations, in violation of Section 301 of the Act.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹⁰ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.¹¹ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹² and the Commission has so interpreted the term in the Section 503(b) context.¹³ Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹⁴

5. The Commission’s *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹⁵ The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.¹⁶ In determining the appropriate forfeiture amount, we must consider the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and

gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁷

6. In this case, the Licensee failed to timely file the K217DP renewal application and continued station operations for more than two months before filing the appropriate application and for more than seven months before seeking STA to continue station operations. Nevertheless, because it had previously been licensed to operate Station K217DP, the latter transgression is not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to timely file the renewal application, but reduce the proposed forfeiture for the unauthorized operation from the \$10,000 base amount to \$4,000.¹⁸ Thus, we propose a forfeiture in the total amount of \$7,000.

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by Section 309(k) of the Act.¹⁹ That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.²⁰ If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”²¹

8. We find that the Licensee's apparent violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.²² Further, we find that Station K217DP served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application below.

¹⁸ *See, e.g., Discussion Radio Incorporated*, 19 FCC Rcd 7433, 7438 (2004); *Gospel Media, Inc.*, 19 FCC Rcd 15600 (MB 2004). Although in *Gospel Media*, the Bureau imposed a proposed forfeiture of \$3,000 for unauthorized operation, the unauthorized operation lasted only two weeks and the applicant did not allow an STA for continued operations to expire. The \$4,000 forfeiture proposed here for unauthorized operation is analogous to use of an unauthorized frequency by a land mobile station holding a license for a different frequency. *See, e.g., In the Matter of Dave Mitchell*, DA 05-110, 2005 WL 123922 (EB Rel. Jan. 21, 2005); *In the Matter of Joselyn Gordon*, 19 FCC Rcd 23557 (EB 2004).

No. 104-104, 110 Stat. 56 (1996). *See Implementation of Sections 204(a) and 204(c) of the Telecommunications Act of 1996 (Broadcast License Renewal Procedures)*, Order, 11 FCC Rcd 6363 (1996).

²² For example, we do not find here that the Licensee's station operation "was conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies." *See Heart of the Black Hills Stations*, 32 FCC 2d 196, 198 (1971). Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Heart of the Black Hills Stations*, 32 FCC 2d at 200. *See also Center for Study and Application of Black Economic Development*, 6 FCC Rcd 4622 (1991), *Calvary Educational Broadcasting Network, Inc.*, 7 FCC Rcd 4037 (1992).
