DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL OF US LEC CORP. TO PAETEC CORP.

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 06-171

Comments Due: October 5, 2006
Reply Comments Due: October 12, 2006

On September 1, 2006, PAETEC Corp. (“PAETEC”) and US LEC Corp. (“US LEC”) (together, the “Applicants”), filed an application, pursuant to section 63.04 of the Commission’s rules,¹ requesting authority to transfer control of US LEC to PAETEC.²

Applicants assert that this transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission’s rules because the proposed transaction will result in: (1) PAETEC and its affiliates having a market share in the interstate, interexchange market of less than 10 percent; (2) PAETEC and its affiliates providing competitive telephone exchange services or access services only in geographic areas served by a dominant local exchange carrier (none of which is a party to the proposed transaction); and (3) neither of the Applicants nor their affiliates being dominant with respect to any service.³

US LEC, a Delaware corporation, provides resold and facilities-based telecommunications services in 43 states⁴ and the District of Columbia through its operating subsidiaries.⁵

¹ 47 C.F.R. § 63.04; *see* 47 U.S.C. § 214.

² Counsel to PAETEC supplemented the application on September 18, 2006. Applicants are also filing applications for transfer of control associated with authorization for international services. Any action on this domestic 214 application is without prejudice to Commission action on other related, pending applications.

³ *See* 47 C.F.R. § 63.03(b)(2)(i).

⁴ US LEC provides domestic services in all but the following seven states: Alaska, Hawaii, Idaho, Maine, New Mexico, Rhode Island, and Vermont.

PAETEC, a privately held Delaware corporation, provides resold and facilities-based telecommunications services in 48 states⁶ and the District of Columbia through its operating subsidiaries.⁷ The following entities own a 10 percent or greater equity interest in PAETEC Corp.: New Moon Trust U/D/T Dated June 1, 1995 (11%), whose trustees Jeffrey P. Sudikoff and Joyce M. Sudikoff are both U.S. citizens; and Madison Dearborn Capital Partners III, L.P., a U.S. entity (11%). The California State Teachers' Retirement System, a U.S. pension fund, has a 14 percent equity interest in Madison Dearborn Capital Partners III, L.P. Applicants assert that no other person or entity owns a 10 percent or more, direct or indirect, equity interest in PAETEC.

PAETEC and US LEC propose to complete a merger whereby both companies will become wholly owned subsidiaries of a new publicly owned holding company ("New PAETEC"), which is expected to change its name to "PAETEC Communications Corp."⁸ Immediately following consummation of the merger, no person or entity will directly or indirectly own 10 percent or more of the equity of New PAETEC. Additionally, the operating subsidiaries of US LEC will continue to provide service to their existing customers under the US LEC name.

Applicants state that the proposed transaction will serve the public interest because: (1) it will enhance the quality and variety of telecommunications products and services offered to consumers and businesses; and (2) US LEC's customers will continue to receive service under the US LEC name with no changes in the rates or terms and conditions of service.
