DOMESTIC SECTION 214 APPLICATION FILED FOR ACQUISITION OF CERTAIN ASSETS OF HORIZON TELECOM, INC., FROM DEBORAH SECREST TO ROBERT SORRENTINO

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 06-7

Comments Due: February 10, 2006

Reply Comments Due: February 17, 2006

On December 30, 2005, Horizon Telecom, Inc. (“Horizon”), Deborah Secrest (“Secrest”) and Robert Sorrentino (“Sorrentino”) (collectively referred to as “Applicants”) filed an application, pursuant to sections 63.03 and 63.04 of the Commission’s rules,¹ seeking authority to transfer control of Horizon from Secrest to Sorrentino. Horizon holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act.²

Applicants assert that this transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission’s rules because the transferee³ will have a market share in the interstate interexchange market of less than 10 percent, the transferee will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the proposed transaction, and neither of the Applicants is dominant with respect to any service.⁴

¹ 47 C.F.R. §§ 63.03, 63.04; *see* 47 U.S.C. § 214.

² Applicants are also filing applications for transfer of control associated with authorization for international services. Any action on this domestic 214 application is without prejudice to Commission action on other related, pending applications.

³ For purposes of 63.03(b)(1) and (2), the terms “applicant,” “carrier,” “party,” and “transferee” include any affiliates of such entities within the meaning of section 3(1) of the Communications Act of 1934, as amended. 47 C.F.R. § 63.03(b)(3).

⁴ 47 C.F.R. § 63.03(b)(2)(i).

Horizon, a Nevada corporation, is a provider of interstate, international and intrastate interexchange telecommunications services. Horizon is wholly-owned by Secrest, a United States citizen. Sorrentino, the proposed transferee, is also a United States citizen and is currently the sole owner of Dominion Business Group, Inc. which, in turn, is the sole owner of Reduced Rate Long Distance, LLC.⁵ Sorrentino will own 100% of the common stock of Horizon following the proposed transaction.

Pursuant to an Agreement entered into by the Applicants, Sorrentino will purchase all of the issued and outstanding stock of Horizon from Secrest (the "Acquisition"). The Acquisition will therefore result in the change of ownership of Horizon from Secrest to Sorrentino, including control of Horizon's section 214 authorities.

Applicants state that the proposed transaction serves the public interest by causing Horizon to become a stronger competitor in the marketplace for interstate and international telecommunications services. The Applicants assert that the customers of Horizon will benefit from the Sorrentino's resources and assets, which will help ensure continuity of service and enhance the ability of Horizon to offer a broader range of innovative products and services to customers. Finally, the Applicants state that the transaction will serve to enhance the overall capacity of Horizon to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates.
