## DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL OF YAK COMMUNICATIONS (AMERICA) INC. FROM YAK COMMUNICATIONS INC. TO YAKTASTIC INC.

### STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 06-182

**Comments Due: October 19, 2006**  
**Reply Comments Due: October 26, 2006**

On September 29, 2006, Yak Communications (America) Inc. ("Yak America"), Yak Communications Inc. ("Yak") and Yaktastic Inc. ("Yaktastic") (collectively, "Applicants"), filed an application, pursuant to section 63.04 of the Commission's rules,<sup>1</sup> requesting authority to transfer control of Yak America to Yaktastic.<sup>2</sup>

Applicants assert that this transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission's rules because, upon completion of the proposed transaction, (a) Yaktastic will have a market share in the interstate, interexchange market of less than 10 percent, and (b) Yaktastic will provide competitive telephone exchange services or exchange access services (if at all) exclusively in areas served by a dominant local carrier not a party to the transaction, and (c) neither of the Applicants is dominant with respect to any service.<sup>3</sup>

Yak America is a Florida corporation authorized to provide and provides resold interexchange telecommunications services in all of the contiguous 48 states and the District of Columbia. The services offered by Yak America include basic 1+ long distance services, 10-10 casual calling services and calling card services. Yak America has no affiliates that offer domestic telecommunications. Yak America is a direct, wholly owned subsidiary of Yak.

Yak, a Florida corporation, is a publicly held company. Charles Zwebner, a Canadian citizen,

<sup>1</sup> 47 C.F.R. §§ 63.03, 63.04; *see* 47 U.S.C. § 214.

<sup>2</sup> Applicants have also filed an application for transfer of control associated with authorization for international services. Any action on this domestic 214 application is without prejudice to Commission action on other related, pending applications.

<sup>3</sup> 47 C.F.R. § 63.03(b)(2)(i).

holds 25% of the stock of Yak and is the only shareholder with an interest of 10 percent or greater. Mr. Zwebner serves as President and CEO of Yak and CEO of Yak Communications (Canada), Inc., an Ontario corporation that is a direct, wholly-owned subsidiary of Yak. Mr. Zwebner does not hold a 10 percent or greater ownership interest in any other company that offers domestic telecommunications services.

Yaktastic Inc. is a newly formed corporation organized under the laws of the State of Delaware. Yaktastic is 100% owned by Anthony Lopez, a U.S. citizen. Neither Yaktastic nor Anthony Lopez holds any authorizations to provide telecommunications services. Neither Yaktastic nor Anthony Lopez holds a 10 percent or greater ownership interest in any other company that offers domestic telecommunications services.

Pursuant to the terms of a Stock Purchase Agreement ("Agreement") dated September 25, 2006, Yaktastic will purchase from Yak all of the issued and outstanding shares of capital stock of Yak America for a cash payment.<sup>4</sup> As a result, Yak America will become a direct, wholly-owned subsidiary of Yaktastic. Thus, post-consummation, Yak America will ultimately be owned by Anthony Lopez.

Applicants state that the proposed transaction will serve the public interest by enabling Yak America to continue providing telecommunications services in the U.S. market, to the ultimate benefit of American consumers. Immediately following consummation of the proposed transaction, Yak America will continue to offer to its customers the same services at the same rates, terms and conditions as at present pursuant to existing authorizations, tariffs, contracts, and published rates and charges. Applicants assert that the proposed transaction does not present any anti-competitive issues as it entails simply the sale of ownership interests in Yak America to another company, and the transaction will be completely transparent to customers.

<sup>4</sup> Applicants note that, on September 21, 2006, Yak announced that its Board of Directors approved and agreed to support a cash tender offer by Globalive Communications Corp. ("Globalive") to acquire all of the outstanding shares of Yak's common stock pursuant to a definitive agreement with Globalive. Globalive is a Nova Scotia unlimited liability company. Applicants further state that Yak intends to close the sale of Yak America to Yaktastic before consummating the sale of its common stock to Globalive. The Globalive transaction is outside of the scope of our review in this proceeding.

<sup>5</sup> See 47 C.F.R. § 63.03(a).
