DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL OF NATIONAL COMTEL NETWORK, INC. TO TODD MCINTYRE

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 06-179

Comments Due: October 19, 2006
Reply Comments Due: October 26, 2006

On September 08, 2006, National ComTel Network, Inc. (“NCN”) and Todd McIntyre (“Mr. McIntyre”) (collectively, “Applicants”), filed an application, pursuant to section 63.04 of the Commission’s rules,¹ requesting authority to transfer control of NCN to Mr. McIntyre.²

Applicants assert that this transaction is entitled to presumptive streamlined treatment under 63.03(b)(2)(i) of the Commission’s rules because, upon completion of the proposed transaction: (i) Transferee will have a market share in the interstate, interexchange market of less than 10 percent; (ii) Transferee will provide competitive telephone exchange or exchange access services, if at all, exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction; and (iii) none of the Applicants or their affiliates are dominant with respect to any service.³

NCN, a California corporation, is a non-dominant interexchange and competitive local exchange carrier providing intrastate, interstate, and international telephone service to business customers. Jeff Foss, a U.S. citizen, has 100% equity interest in NCN.

¹ 47 C.F.R. § 63.04; *see* 47 U.S.C. § 214.

² Applicants supplemented their application on October 2, 2006. Applicants are also filing applications for transfer of control associated with authorization for international services. Any action on this domestic 214 application is without prejudice to Commission action on other related, pending applications.

³ 47 C.F.R. § 63.03(b)(2)(i).

Mr. McIntyre, a U.S. citizen, currently is a manager of NCN. Mr. McIntyre has no other equity interest in a telecommunications carrier.

Pursuant to a stock purchase agreement entered into on June 30, 2006, Mr. McIntyre will acquire 100% of the issued and outstanding shares of stock in NCN. NCN will continue providing service to its customers, without change, and in accordance with all of its existing tariffs and contracts.

Applicants state that the proposed transaction will serve the public interest because it will be completely transparent to customers of NCN and will ensure that NCN continues to provide a full range of affordable and high quality interstate and international telecommunications services.
