Re: Final Bid Withdrawal Payments for Auction No. 40

Dear Ms. Janssen:

You were a participant in Auction No. 40 and withdrew your high bid on licenses BEA165GV and BEA165GW in that auction. Auction No. 48, the subsequent auction for the licenses on which you withdrew your high bid, has closed. As shown on Attachment A, in accordance with the Federal Communications Commission's ("Commission's") rules, we are now able to calculate your final bid withdrawal payment obligations.

Under the Commission's rules, a bidder that withdraws a high bid during the course of an auction is subject to a bid withdrawal payment equal to the difference between the amount of the withdrawn bid and the amount of the subsequent winning bid. If a high bid is withdrawn on a license that remains unsold at the close of the auction, the withdrawing bidder will be required to make an interim payment equal to three percent (3%) of the net amount of the withdrawn bid.¹ This payment amount is deducted from any upfront payments or down payments deposited for this bidder's account with the Commission.² If, in a subsequent auction, that license receives a winning bid in an amount equal to or greater than the withdrawn bid amount, then no final bid withdrawal payment will be assessed, and, upon appropriate request, the Commission will refund the interim three percent (3%) payment.³ If in a subsequent auction, the winning bid for that license is less than the bidder's withdrawn amount, then the bidder will be required to make a final bid withdrawal payment equal to either the difference between the bidder's net withdrawn bid and the subsequent net winning bid, or the difference between the bidder's gross withdrawn bid and the subsequent gross winning bid, whichever is less.⁴

¹ Implementation of Section 309(j) of the Communications Act—Competitive Bidding, PP Docket No. 93-253, *Fifth Report and Order*, 9 FCC Rcd 5532, 5563 at n. 51 (1994); C.H. PCS, Inc., 11 FCC Rcd 14495 (1996) (requiring a three percent deposit).

² 47 C.F.R. § 1.2106(d) and (e).

³ 47 C.F.R. § 1.2104(g)(1).

⁴ 47 C.F.R. § 1.2104(g)(1).

As shown in Attachment A, in accordance with Section 1.2104(g)(1), after applying any interim bid withdrawal payments or amounts on deposit with the Commission, you have a refund due of \$41.00.

Ordering Clauses

Accordingly, IT IS ORDERED that, pursuant to Sections 4(i) and 309 of the Communications Act of 1934 as amended, 47 U.S.C. §§ 154(i), 309, and Section 1.2104(g) of the Commission's rules, 47 C.F.R. § 1.2104(g), Kathleen Janssen is ASSESSED final bid withdrawal payments as computed in Attachment A.

IT IS FURTHER ORDERED that, pursuant to 47 C.F.R. §§ 1.2104 and 1.2106, Kathleen Janssen's interim bid withdrawal payments or funds on deposit will be applied towards the sum of the final bid withdrawal payments.
