In re: U.S. Cablecasters v. Adelphia Communications Corporation,
CSR 6594-L, 6595-L, 6978-L, 6987-L, Dismissal of Leased Access Complaints

Dear Ms. Womack:

This is response to the above referenced petitions in which you allege various violations of the Commission's leased access rules by Adelphia Communications Corporation, Inc. As you are aware, Adelphia is no longer in existence, having entered into bankruptcy proceedings. Consequently, even if we were to grant your petitions, there would be no entity against which to enter an Order. Accordingly, your petitions on behalf of U.S. Cablecasters are dismissed as moot.

If in the future, however, you experience any problems with Adelphia's successor-in-interest, we encourage you to file a petition for relief in accordance with the Commission's rules. In this regard, we note that several of the matters you filed complaints about in the above referenced petitions were filed more than 60 days after the alleged violations occurred. Under the Commission's leased access rules, petitions must be filed within 60 days of the alleged leased access violation.¹ Should you have any questions regarding the leased access rules, please call 202 418 7200.

Sincerely,

Steve A. Broeckaert
