CONSUMER AND GOVERNMENTAL AFFAIRS BUREAU ACTION REQUEST FOR EXEMPTION FROM COMMISSION'S CLOSED CAPTIONING RULES

CG Docket No. 06-181

Numerous petitioners have filed petitions for exemption from the closed captioning requirements, pursuant to Section 79.1 of the Commission's rules, 47 C.F.R. § 79.1, for their programs. Each of these petitioners claims that compliance would impose an undue burden, as defined in Section 79.1(f) of the Commission's rules, 47 C.F.R. § 79.1(f).

We are now placing these petitions on public notice. We note that where similar petitions were previously placed on public notice, an opposition was filed by only one commenter.¹ The last date any opposition was filed was March 2, 2006. This same Commenter wrote to the Commission that "Commenters have decided to not have Bingham McCutchen routinely prepare oppositions to closed captioning petitions" that they characterize as "clearly deficient."² This Commenter notified the Commission that they would only file oppositions to petitions that raised new issues, because "[p]reparing a unique opposition to each of the pending 450 petitions, no matter how routine the oppositions have become, poses a significant burden on Commenters and their limited resources."³ As a result, the Commission stopped placing these petitions on public notice.

Nevertheless, this same Commenter has now indicated to the Commission that it is interested in filing comments related to these types of petitions.⁴ Given this request, we now place all such petitions on public

¹ TDI, NAD, DHHCAN, and HLAA (collectively, Commenter) filed oppositions collectively through the law firm Swidler Berlin LLP and its successor, Bingham McCutchen LLP. Since July 2005, 107 petitions were placed on public notice by the Consumer and Governmental Affairs Bureau. Commenter filed oppositions to 17 of these petitions.

² Letter from Paul O. Gagnier and Troy F. Tanner, Counsel to TDI, to Marlene H. Dortch, Secretary, Federal Communications Commission, CG Docket No. 05-231 (filed May 2, 2006) (Opposition *Ex Parte*).

³ Opposition *Ex Parte*. Telecommunications for the Deaf and Hard of Hearing, Inc. (TDI), National Association of the Deaf (NAD), Deaf and Hard of Hearing Consumer Advocacy Network (DHHCAN), Hearing Loss Association of America (HLAA), Association of Late Deafened Adults, Inc., American Association of People with Disabilities, and California Coalition of Agencies Serving the Deaf and Hard of Hearing (collectively, the Parties) filed a consolidated application for review of *New Beginning Ministries*. Application for Review of *New Beginning Ministries*, CG Docket No. 06-181, Case Nos. CGB-CC-0005 and CGB-CC-0007, filed Oct. 12, 2006 (Application for Review) at 11 (citing Opposition *Ex Parte*).

⁴ Application for Review at 12-14.

notice.⁵ We also note that these petitions have been available on the Commission's website since October 12, 2006. See http://www.fcc.gov/cgb/dro/caption_exemptions.html. We further note that all such petitions for relief from the closed captioning rules based on undue burden will be placed on public notice on a going forward basis.

Given that all of these petitions have been available on the Commission's website since October 12, 2006, and that many interested parties have already reviewed and commented on the granted petitions through the Parties' Application for Review,⁶ comments and oppositions are due within 20 days from the date of this public notice. The case identifier, **located in Column 1**, must be placed on all filings. Comments and oppositions sent via e-mail to the Commission will be considered informal and are not part of the official record.

Filing Instructions -

An original and two (2) copies of all comments, oppositions, and replies must be filed with the Commission.

Filings can be sent by hand or messenger delivery, commercial overnight courier, or by first class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission, Attention: CGB Room 3-B431.

* The Commission's contractor will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, DC 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building.

* Commercial overnight mail (other than U.S. Postal Service, Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743.

* U.S. Postal Service first-class, Express, and Priority mail should be addressed to 445 12th Street, SW, Washington, DC 20554.

In addition, comments and oppositions filed must indicate that they have been served on the petitioner. All comments and oppositions must be served on petitioners at their respective address.

An original and two (2) copies of petitioner's reply to the comments in the record is due 10 days after the comment deadline. Electronic filing is not available at this time. In addition, replies to comments or oppositions shall be served on the commenting or opposing party and shall include a certification that the commenter was served with a copy.

All comments, oppositions, and replies must contain a detailed, full showing, supported by affidavit, of any facts or considerations relied on.

The petition, comments, oppositions and replies will be available for public inspection in the Commission's Reference Information Center:

⁵ A portion of these petitions that are now being placed on public notice were previously granted by the Consumer and Governmental Affairs Bureau, Disability Rights Office, by letter order. We hold the letter orders granted by the Bureau in abeyance until the comment cycle on these petitions has ended.
