By the Chief, Media Bureau:

I. INTRODUCTION

1. The Commission has before it the captioned application of Regent Licensee of Chico, Inc. (the "Licensee"), for renewal of its license for FM translator Station K300AD, Chico, California (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),¹ by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,² we find that the Licensee apparently willfully violated Section 73.3539 of the Rules³ by failing to timely file a license renewal application for the Station, and willfully and repeatedly violated Section 301 of the Act,⁴ by engaging in unauthorized operation of the Station after its license for that facility had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of seven thousand dollars (\$7,000), and we grant the captioned K300AD renewal application.

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."⁵ An application for renewal of the Station's license should have been filed by August 1, 2005, four months prior to the Station's December 1, 2005, license expiration date,⁶ but was not. In fact, the Licensee did not file the renewal application or a request for

special temporary authorization (“STA”) to continue station operation, notwithstanding the expiration of the K300AD license, until July 10, 2006, more than seven months after the Station’s license had expired.⁷ In the STA request, the licensee states that it inadvertently omitted Station K300AD from its timely-filed license renewal application for Station KQPT(FM), Colusa, California, its primary station, the signal of which is rebroadcast by the translator.⁸

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee has admitted that it failed to timely file a license renewal application for the Station, as required by Section 73.3539(a) of the Rules. It does not dispute that it continued Station operation for more than seven months after its license had expired on August 1, 2005, in violation of the Act, before filing its renewal application and STA request.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁹ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.¹⁰ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹¹ and the Commission has so interpreted the term in the Section 503(b) context.¹² Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹³

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹⁴ The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.¹⁵ In determining the appropriate forfeiture amount, we must consider the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and

⁸ Licensees are permitted to seek renewal of the translator station on the same form as that for the primary station being rebroadcast. See FCC Form 303-S, Instructions, Page 1, Paragraph A. The license renewal application for Station KQPT(FM), BRH-20050801CPP, was granted routinely on November 29, 2005.

gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁶

6. In this case, the Licensee failed to timely file the K300AD renewal application and continued Station operations for more than seven months before filing the appropriate renewal application and STA request to continue station operations. Nevertheless, because it had previously been licensed to operate Station K300AD, the latter transgression is not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to timely file the renewal application, but reduce the proposed forfeiture for the unauthorized operation from the \$10,000 base amount to \$4,000.¹⁷ Thus, we propose a forfeiture in the total amount of \$7,000.

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by Section 309(k) of the Act.¹⁸ That Section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.¹⁹ If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”²⁰

8. We find that the Licensee’s apparent violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern

Although in *Gospel Media*, the Bureau imposed a proposed forfeiture of \$3,000 for unauthorized operation, the unauthorized operation lasted only two weeks and the applicant did not allow its STA for continued operations to expire. The \$4,000 forfeiture proposed here for unauthorized operation is analogous to that imposed for the use of an unauthorized frequency by a land mobile station holding a license for a different frequency. *See, e.g., In the Matter of Dave Mitchell*, DA 05-110, 2005 WL 123922 (EB rel. of abuse.²¹ Further, we find that Station K300AD served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application below.

Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Heart of the Black Hills Stations*, 32 FCC 2d at 200. *See also Center for Study and Application of Black Economic Development*, Hearing Designation Order 6 FCC Rcd 4622 (1991), *Calvary Educational Broadcasting Network, Inc.*, Hearing Designation and Order, 7 FCC Rcd 4037 (1992).
