**PUBLIC DEMONSTRATION OF REDESIGNED FCC APPLICATION FILING FOR
REQUIRED NOTIFICATIONS (NT) AND REQUESTS FOR EXTENSION OF TIME
(EX) IN THE UNIVERSAL LICENSING SYSTEM WILL TAKE PLACE ON
DECEMBER 14, 2006**

As part of a continuing effort to improve license application filing, the FCC Application Filings for Required Notifications (NT) and Requests for Extension of Time (EX) are being redesigned in the Universal Licensing System. A public forum will be held on Thursday, December 14, 2006, from 1–3 p.m. for anyone interested in viewing the redesigned work in process and providing feedback. The demonstration will take place at the Washington, DC headquarters building, 445 Twelfth Street, S.W., in Room 8-B516 (South Conference Room). Interested parties should pre-register for the event by December 12, 2006.

**Redesigned FCC Application Filing for Required Notifications (NT) and Requests for
Extension of Time (EX)**

The NT and EX applications are being redesigned to use current technologies and design concepts and to integrate these applications into the ULS License Manager. The NT and EX application filings are being integrated into the ULS License Manager for both the FCC Form 601 (Notification or Extension of Construction) and the FCC Form 603 (Notification or Extension of Consummation). The forum will include the following:

- Demonstration of how to file Required Notifications and Requests for Extension of Time in ULS License Manager.
- Overview of planned implementation of the redesigned NT and EX filings.

Remote Attendance

This demonstration will be available for remote attendance via live streaming video through your Web browser. It is highly recommended that you install the required software and test your connection a few days before the scheduled event. Beginning December 4, 2006, you will be able to find information about performing the needed installation and pre-test at: <http://esupport.fcc.gov/streamingmedia.htm>. Following the presentation, a video recording of the event will be available at the following address: <http://wireless.fcc.gov/papers2006.html>.

Reasonable Accommodations

Reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation you will need with as much detail as possible. Also include a

way we can contact you if we need more information. Please allow at least 5 days advance notice; last minute requests will be accepted, but may be impossible to fill. Send an e-mail to fcc504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty).

Registration

Pre-registration is requested. Please pre-register for the live demonstration at <http://esupport.fcc.gov/fccevents/reports/submitmsg.jsp> or contact Eugene Chun by telephone at 202-513-4575 by December 12, 2006. If registering by electronic mail (e-mail), the subject line of the e-mail should state "WTB Demonstration of NT/EX Redesign." Please provide your name, organization, telephone number and e-mail address. We will confirm your registration by return e-mail.
