SECOND ERRATUM

AUCTION OF FM BROADCAST CONSTRUCTION PERMITS

32 Bidders Qualified to Participate in Auction No. 68

Report No. AUC-07-68-F (Auction No. 68)

On December 29, 2006, the Media Bureau and the Wireless Telecommunications Bureau released an Erratum to a Public Notice that had been released on December 22, 2006 (DA 06-2552), which identified the applicants found to be qualified to bid in the upcoming auction for nine FM broadcast construction permits ("Auction No. 68").¹ The Erratum identified an additional applicant, Radio Diva Inc., that is eligible to participate in Auction No. 68. This Erratum corrects Attachment B of the *Qualified Bidders Public Notice* to properly identify the construction permit selected on Radio Diva Inc.'s short-form application, as follows:

| FRN | Name | Bidding Credit Percentage | Waiver Requested |
|------------|----------------|---------------------------|------------------|
| 0015186158 | Radio Diva Inc | 35% | |

1 Permit Selected
MM-FM040-A

The upfront payment information provided in the previous Erratum and remaining information provided in the *Qualified Bidders Public Notice* (DA 06-2552) remains unchanged.

Revised versions of Attachments A, B and C to the *Qualified Bidders Public Notice*, listing the eligible applicants, permits selected, and claimed bidding credit percentages will be made available at <http://wireless.fcc.gov/auctions/68> prior to the start of the auction.
