REPORT AND ORDER
(Proceeding Terminated)

Adopted: December 20, 2006

Released: December 22, 2006

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division issued a *Notice of Proposed Rulemaking* in response to a Petition for Rule Making filed by Charles Crawford (“Crawford”).¹ The *Notice* proposes the allotment of Channel 249A at Hennessey, Oklahoma, as a first local FM service. Crawford filed comments supporting the allotment of Channel 249A at Hennessey, and reaffirmed his intention to apply for the channel if it is allotted and, if authorized, to build and operate a station on that channel.

2. Comments also were filed by Oklahoma Radio Partners, LLC (“ORP”). ORP requests that the Commission modify the reference point associated with the proposed allotment of Channel 249A at Hennessey. ORP represents that Channel 249A can be allotted to Hennessey from the modified reference coordinates with clear spacing to all existing and proposed allotments. ORP states that Crawford has consented to the proposed modification of the allotment reference coordinates, and further states that no consideration was paid by ORP in exchange for Crawford’s consent. In corroboration of its representations, ORP attaches to its comments a signed, verified statement from Charles Crawford.

3. Hennessey, an incorporated community with a population of 2,052 persons, is a community for allotment purposes and is deserving of a first local FM service. We therefore find that the public interest would be served by the allotment of Channel 249A at Hennessey, Oklahoma. Channel 249A can be allotted at Hennessey at the modified reference coordinates with a site restriction of 7.7 kilometers (4.8 miles) west of Hennessey, at the following reference coordinates: 36-07-55 North Latitude and 97-58-46 West Longitude.

¹ *Hennessey, Oklahoma, Odin, Illinois, and Spur, Texas*, 20 FCC Rcd 4331 (MB 2005) (“*Notice*”).

4. The Commission will send a copy of this *Report and Order* in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act.²

5. Accordingly, IT IS ORDERED, That effective February 5, 2007, the FM Table of Allotments, 47 C.F.R. Section 73.202(b), IS AMENDED as follows:

<u>Community</u>	<u>Channel No.</u>
