**DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF
CONTROL OF LIGHTYEAR NETWORK SOLUTIONS, LLC,
FIRST COMMUNICATIONS, LLC, AND XTENSION SERVICES, INC.
TO FIRST COMMUNICATIONS, INC.**

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 06-228

Comments Due: January 5, 2007
Reply Comments Due: January 12, 2007

On December 06, 2006, First Communications, Inc. (“FCI”), a newly formed holding company, Lightyear Network Solutions, LLC (“Lightyear”), First Communications, LLC (“First Communications”), and Xtension Services, Inc. (“Xtension”) (collectively, the “Applicants”), filed an application, pursuant to section 63.04 of the Commission’s rules,¹ requesting authority to transfer control of Lightyear, First Communications, and Xtension to FCI.²

Applicants assert that this transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission’s rules because the proposed transaction will result in: (1) FCI, as the Transferee, holding less than a 10% share of the interstate, interexchange market; (2) FCI, as the Transferee, providing competitive telephone exchange services or exchange access services (if at all) exclusively in geographic areas served by dominant local exchange carriers (none of which is a party to the proposed transactions); and (3) none of the Applicants or their affiliates are dominant with respect to any service.³

Lightyear, a Kentucky limited liability company, is authorized to provide local exchange telecommunications services in 44 states and long distance telecommunications services in 49

¹ 47 C.F.R. § 63.04; *see* 47 U.S.C. § 214.

² Applicants filed a supplement to the application on December 22, 2006. Applicants are also filing applications for transfer of control associated with authorization for international services. Any action on this domestic 214 application is without prejudice to Commission action on other related, pending applications.

³ *See* 47 C.F.R. § 63.03(b)(2)(i).

states.⁴ Lightyear is a wholly owned subsidiary of LY Holdings, LLC,⁵ a Kentucky limited liability company, which, in turn, is owned by a series of investors including LANJK, LLC, SullivanLY, LLC, and Rice-LY Ventures, LLC.

First Communications, an Ohio limited liability company, provides telecommunications services to customers located primarily in Ohio, Michigan, Indiana, Illinois, North Carolina, Texas, Pennsylvania and Florida.⁶ First Communications' services include traditional local and long distance services, toll-free services, conference calling packages, calling cards, prepaid calling cards, Internet access and dedicated and private line services. First Communications' telecommunications services are provided primarily on a resale basis using the facilities and switches that are owned and operated by other telecommunications carriers. The following companies own a 10% or greater interest in First Communications: McKinley Communications, LLC (51%); First Energy Corp. (32%); and Boich Investment Group, Ltd. (17%). No other entity holds a 10% or greater ownership interest in First Communications.⁷

Xtension, a Delaware corporation, is authorized to provide long distance telecommunications services in 13 states and local exchange telecommunications services in New Jersey.⁸ Jamie J. O'Steen and David H. Amis, both U.S. citizens, each own 50% of Xtension.

FCI, a newly formed Delaware corporation, does not hold any domestic section 214 authorizations. Prior to the closing of these three transactions, FCI will undertake an initial public

⁴ Lightyear is authorized to provide telecommunications services in Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Massachusetts, Maryland, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming.

⁵ As part of the proposed Transaction, LY Holdings, LLC will be merged into Lightyear and therefore will cease to exist as an intermediate holding company following the transfer of control to FCI.

⁶ First Communications is authorized to provide telecommunications services in Alabama, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Massachusetts, Maryland, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, and Wisconsin.

⁷ On November 30, 2006, First Communications, LLC, Acceris Management and Acquisition LLC ("Acceris"), New Access Communications LLC ("New Access"), and Choicetel LLC ("Choicetel") filed a domestic section 214 application to transfer local and long distance customers and assets in multiple states of Acceris, New Access, and Choicetel to First Communications, LLC. That application is pending. *Domestic Section 214 Application Filed for the Acquisition of Assets of Acceris Management and Acquisition LLC, New Access Communications LLC and Choicetel LLC by First Communications, LLC*, WC Docket No. 06-217, Public Notice, DA 06-2509 (rel. Dec. 14, 2006).

⁸ Xtension is authorized to provide telecommunications services in California, Colorado, Florida, Illinois, Kansas, Michigan, Nevada, New Jersey, New York, North Carolina, Pennsylvania, Texas, and Washington.

offering on the Alternative Investment Market of the London Stock Exchange (“AIM”) in March 2007 after which approximately 72% of its shares will be held by new investors, and the remaining shares will be held by existing owners and founders/management of Lightyear, First Communications, and Xtension. Applicants do not expect that any individual will hold an attributable interest in more than 10 percent of the shares of FCI, or that any individual or entity will hold any controlling interest. Applicants also state that founding management will hold a combined interest of 15 percent, but no individual among the founding management group will hold more than 10 percent of the stock of FCI. Further, Applicants state that none of the current shareholders of Lightyear, First Communications or Xtension will hold more than 10% of the stock of FCI,⁹ and Applicants do not expect that any individual or entity will acquire more than 10% of the publicly offered shares.

Applicants propose to complete a transaction through which FCI will acquire 100% control of Lightyear, First Communications, and Xtension following the initial public offering of shares by FCI on the AIM.¹⁰ The transaction will not result in any assignment or transfer of authorizations, assets or customers of Lightyear, First Communications, and Xtension. All three operating companies will continue to provide service to their existing customers pursuant to their existing authorizations.

Applicants state that the proposed transaction will serve the public interest because, immediately following the consummation of the proposed transaction, Lightyear, First Communications, and Xtension will continue to offer service to existing customers with no change in their rates or terms and conditions of service. Therefore, transfer of control of Lightyear, First Communications, and Xtension will be seamless and virtually transparent to consumers. Applicants further assert that operation as an integrated entity will allow the merged companies to be more technically, operationally, and financially able to compete in the telecommunications marketplace.

⁹ Applicants state that, following the AIM admission and as of the closing of the transaction and the resulting transfer of control, the existing First Communications shareholders will hold an aggregate of approximately 7.5 percent in FCI; the current shareholders in LY Holdings, LLC (the parent of Lightyear) will hold an aggregate of approximately 3.5 percent in FCI; and the current shareholders in Xtension will hold an aggregate of approximately 3 percent in FCI.

¹⁰ Applicants state that, at the time of closing, another parent holding company may be added to the corporate structure as the publicly-traded parent company, and the publicly-traded company will be the ultimate parent of Lightyear, First Communications, and Xtension. Applicants further state that the insertion of such an additional holding company would not in any way alter the ownership information provided in this Application and would merely result in there being an intermediate holding company between Lightyear, First Communications, and Xtension and the ultimate publicly-traded parent. Because a decision as to whether to add an additional holding company may not be made until immediately prior to the public offering, Applications request that the Commission’s grant of this Application include approval of this possible alternative structure so as not to impede or delay the orderly process of the offering.
