## **COMMENTS INVITED ON APPLICATION OF WITEL COMMUNICATIONS, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**WC Docket No. 06-99**  
**Comp. Pol. File No. 756**

**Comments Due: May 15, 2006**

### **Section 214 Application**

**Applicant: WilTel Communications, LLC**

On **April 3, 2006, WilTel Communications, LLC** (WilTel or Applicant), located at **One Technology Center, Tulsa, OK 74103**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of certain domestic telecommunications services to customers located in Oklahoma, Florida, Georgia and Massachusetts.

WilTel indicates that it currently provides long distance voice services to commercial retail customers located in the above-mentioned states. WilTel states that these services include Switched One Plus and Toll Free, Dedicated One Plus and Toll Free, as well as any circuit (DS-1/DS-3) needed to support these services. WilTel asserts that its provision of long distance voice services has not proven to be financially justified, and that it has therefore determined to cease providing these services to the affected customers. WilTel seeks authority to discontinue these services on June 1, 2006 or as soon thereafter as any necessary state and federal regulatory authorizations have been obtained. WilTel indicates that it sent written notice to all affected customers by letters dated March 2, 2006, and prepared in accordance with the requirements of section 63.71(a) of the Commission's rules.<sup>1</sup> Finally, WilTel states that it is non-dominant with respect to the services it proposes to discontinue.

We seek comment on WilTel's proposed discontinuance of service, including the steps it has taken to notify customers, in light of the notification procedures prescribed in section 63.71(a) of the Commission's rules. In accordance with section 63.71(c) of the Commission's rules, WilTel's application

---

<sup>1</sup> WilTel's notice to customers incorrectly states that customers should file comments with the Commission within 30 days rather than 15 days. We note, however, that the comment deadline indicated above in this public notice occurs after the deadline suggested in WilTel's notice. In this instance we do not believe that WilTel's error has resulted in any harm to customers.

will be deemed to be granted automatically on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies WilTel that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, WilTel may terminate service on **June 1, 2006**. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a “permit but disclose” proceeding for purposes of the Commission’s ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **May 15, 2006**. Such comments should refer to **WC Docket No. 06-99 and Comp. Pol. File No. 756**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission’s Electronic Comment Filing System (ECFS) or by filing paper copies. *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
