NOTICE OF PROPOSED RULE MAKING

Adopted: April 25, 2007

Released: April 27, 2007

Comment Date: June 18, 2007

Reply Comment Date: July 3, 2007

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Cumulus Licensing LLC (“Petitioner”), proposing to allot Channel 262C0 at Dinosaur, Colorado.¹ Petitioner has concurrently filed a FCC Form 301 new station application² for Channel 262C0 at Dinosaur, and was required to submit a filing fee pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*.³ Petitioner certifies in its application that, if the FM channel allotment requested is allotted, it will participate in the auction for the channel allotment requested and specified in the application.

2. We believe the proposal warrants consideration because it may provide a first local service under Priority 3.⁴ A staff engineering analysis indicates that Channel 262C0 can be allotted to Dinosaur, consistent with the minimum distance separation requirements of the Commission’s rules, at coordinates 40-03-26 NL and 108-39-46 WL with a site restriction of 36.4 km (22.6 miles) southeast of the community.

¹ Petitioner filed the instant petition for rule making to facilitate a FCC Form 301 minor change application to change the channel and the community of license of its unbuilt station from Channel 266C0 at Dinosaur to Channel 267C3 at Parachute, Colorado (File No. BMPH-20070119ADH). We will consider the application separately.

² File No. BNPH-20070119ADE.

³ Report and Order, 21 FCC Rcd 14212 (2006) (“*Revised Allotment Procedures R&O*”)

⁴ The FM allotment priorities are: (1) First full-time aural service; (2) Second full-time aural service; (3) First local service; and (4) Other public interest matters. Co-equal weight is given to Priorities (2) and (3). *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1988).

3. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b),⁵ as follows:

<u>Community</u>	<u>Proposed</u>
Dinosaur, Colorado	262C0

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the Appendix before a channel will be allotted.

5. Pursuant to Sections 1.415 and 1.419,⁶ interested parties may file comments on or before June 18, 2007 and reply comments on or before July 3, 2007, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on Petitioner's counsel, as follows:

Mark N. Lipp, Esquire
 Wiley Rein & Fielding LLP
 1776 K Street, N.W.
 Washington, D.C. 20006

6. Parties must file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. **All filings must be addressed to Marlene H. Dortch, Secretary, Federal Communications Commission, Office of the Secretary. Any filing that is not addressed to the Office of the Secretary will be treated as filed on the day it is received in the Office of the Secretary. See 47 C.F.R. Section 1.7. Accordingly, failure to follow the specified requirements may result in the treatment of a filing as untimely.**

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b).⁷ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees,"

⁵ 47 C.F.R. § 73.202(b).

⁶ 47 C.F.R. §§ 1.415 and 1.419.

⁷ See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections §§ 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549 (Feb. 9, 1981).

pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* Section 3506(c)(4).⁸

8. For further information concerning a proceeding listed above, contact Helen McLean, Media Bureau (202) 418-2738. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in a particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

FEDERAL COMMUNICATIONS COMMISSION

John A. Karousos
Assistant Chief
Audio Division
Media Bureau

Attachment: Appendix

⁸ 44 U.S.C. § 3506(c)(4).

APPENDIX

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding:

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* 47 C.F.R. Section 1.420(d).)

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioners. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center, at its headquarters, 445 12th Street, S.W., Washington, D.C.
