NOTICE OF PROPOSED RULE MAKING

Adopted: June 27, 2007

Released: June 29, 2007

Comment Date: August 20, 2007

Reply Date: September 4, 2007

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Radio Beam, LLC ("Radio Beam"), proposing the allotment of Channel 253A at Waldport, Oregon, as a second local service. In order to accommodate the proposed allotment, Radio Beam requests: 1) the substitution of Channel *236C3 for vacant Channel *252C3 at Dallas, Oregon;¹ and, 2) the substitution of Channel 252C3 for Channel 236C3 at Monmouth, Oregon, and the modification of the license for Station KSND(FM) accordingly.² If its petition is granted, Radio Beam states that it will file an application for Channel 253A at Waldport, and will construct the facilities if its application is granted.

2. Radio Beam states that Waldport is an incorporated community with a population of 2,050 persons. Radio Beam further states that the Commission has already determined that Waldport meets the requirements for an allotment community because AM Station KORC is licensed to Waldport.

3. The proposed allotments can be made with the site restrictions and reference coordinates indicated below. Accordingly, we seek comment on these proposed allotment changes, and on amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), to include Waldport, Oregon, Channel 253A, as follows:

¹ Channel 252C3 is reserved for noncommercial educational use. *See Dallas, Oregon*, Memorandum Opinion and Order, 20 FCC Rcd 11,135 (MB 2005).

² Radio Beam, the petitioner in this proceeding, is also the licensee of Station KSND(FM), Channel 236C3, Monmouth, Oregon, so the channel substitution and license modification for Station KSND(FM) would be consensual.

9. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.⁴ This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.⁵

10. For further information concerning this proceeding, contact Deborah A. Dupont, Media Bureau, at (202) 418-7072. For purposes of restricted notice and comment rule making proceedings, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision in the applicable docket is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in the particular docket unless the Commission specifically waives this service requirement. Any comment which has not been served on the Petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.

1. Pursuant to authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b), and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS PROPOSED TO AMEND the FM Table of Allotments, 47 C.F.R. Section 73.202(b), as set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* 47 C.F.R. Section 1.420(d).)

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioner. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.
