PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES CREATION OF NEW EMAIL ADDRESS FOR NON-DOCKETED 800 MHZ REBANDING FILINGS

WT Docket No. 02-55

By this Public Notice, the Public Safety and Homeland Security Bureau (PSHSB) announces the creation of a new e-mail address, PSHSB800@fcc.gov, for non-docketed filings¹ relating to the 800 MHz rebanding process. These include, but are not limited to: 1) licensee requests for extension of time for planning or rebanding implementation;² 2) requests for waiver to allow reimbursement of rebanding costs for facilities operating pursuant to STA;³ and 3) filings in *de novo* review proceedings.⁴ This e-mail address replaces the address pscidreview@fcc.gov established by the Wireless Telecommunications Bureau in January 2006.⁵ The establishment of this e-mail address does not supersede other formal filing requirements in the Commission's rules.

For additional information on 800 MHz band reconfiguration issues, generally, please contact Roberto Mussenden, Policy Division, Public Safety and Homeland Security Bureau, at (202) 418-1428 or Roberto.Mussenden@fcc.gov; or John Evanoff, Policy Division, Public Safety and Homeland Security Bureau, at (202) 418-0848 or John.Evanoff@fcc.gov.

Action by the Associate Chief, Public Safety and Homeland Security Bureau.

– FCC –

¹ Docketed filings in the 800 MHz rulemaking proceeding (WT Docket No. 02-55) should continue to be filed in the Electronic Comment Filing System (ECFS) or as otherwise provided in Part 1 of the Commission's rules.
