NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: November 1, 2007**

**Released: November 2, 2007**

By the Chief, Audio Division, Media Bureau:

**I. INTRODUCTION**

1. The Commission has before it the captioned application of Sinclair Telecable, Inc. (the "Licensee"), for renewal of its license for FM Translator Station K238AF, Santa Rosa, California (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),<sup>1</sup> by the Chief, Audio Division, Media Bureau, by authority delegated under Section 0.283 of the Rules,<sup>2</sup> we find that the Licensee apparently willfully violated Section 73.3539 of the Rules,<sup>3</sup> by failing to file a timely license renewal application for the Station, and apparently willfully and repeatedly violated Section 301 of the Act,<sup>4</sup> by engaging in the unauthorized operation of the Station after its authorization had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of five hundred dollars (\$500), and we grant the captioned K238AF license renewal application.

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>5</sup> An application for renewal of K238AF's license should have been filed by August 1, 2005. No such application was filed, and the Station's license expired on December 1, 2005. On September 7, 2006 the Licensee filed the captioned license renewal application and a request for special temporary authorization ("STA") to continue operations pending consideration of the untimely renewal application. The staff granted the STA on September 13, 2006, and

it expired on March 13, 2007.<sup>6</sup> The Licensee sought a timely extension of the STA on March 9, 2007, which remains pending.<sup>7</sup> In the STA request, the Licensee indicates that it inadvertently failed to include K238AF in the license renewal application for commonly owned primary station KXTS(FM), Calistoga, California.

### III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee failed to file a timely license renewal application for the Station, as required by Section 73.3539 of the Rules. Moreover, it continued operating the Station for more than nine months after the license had expired on December 1, 2005, before filing the appropriate renewal application and seeking STA to so operate, in violation of Section 301 of the Act. Notwithstanding the Licensee's explanation that its failure to submit a timely license renewal application for K238AF was inadvertent, Licensees are obligated to comply fully with the Rules, including filing the station's renewal application and maintaining in effect the station's authorization.<sup>8</sup> Here, the Licensee did not do so.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have failed willfully or repeatedly to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>9</sup> Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.<sup>10</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>11</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>12</sup> Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."<sup>13</sup>

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.<sup>14</sup> The guidelines also specify a base forfeiture amount of \$10,000 for station construction and/or operation without an instrument of authorization for the service.<sup>15</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and,

with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>16</sup>

6. In this case, the Licensee failed to file a timely license renewal application for K238AF and continued operating the Station for more than nine months before filing the appropriate application and seeking STA to so operate. Nevertheless, because it had previously been licensed to operate the Station, the latter transgressions are not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we will reduce the forfeiture from the base amount to two hundred fifty dollars(\$250) for each violation. Thus, we propose a forfeiture in the total amount of five hundred dollars (\$500).

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by Section 309(k) of the Act.<sup>17</sup> That Section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>18</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”<sup>19</sup>

8. We find that the Licensee’s violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.<sup>20</sup> Further, we find that Station K238AF served the public interest, convenience, and necessity during its subject license term. We will, therefore, grant the license renewal application below.

#### IV. ORDERING CLAUSES

9. Accordingly, IT IS ORDERED, pursuant to Section 503(b) of the Communications Act of 1934, as amended, and Section 1.80 of the Commission’s Rules, that Sinclair Telecable, Inc. is hereby NOTIFIED of its APPARENT LIABILITY FOR FORFEITURE in the amount of five hundred dollars (\$500) for its apparent willful violation of Section 73.3539 of the Commission’s Rules and apparent willful and repeated violation of Section 301 of the Communications Act of 1934, as amended.

Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the Licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Heart of the Black Hills Stations*, 32 FCC 2d at 200. *See also Center for Study and Application of Black Economic Development*, Hearing Designation Order, 6 FCC Rcd 4622 (1991), *Calvary Educational Broadcasting Network, Inc.*, Hearing Designation Order, 7 FCC Rcd 4037 (1992).
